To His Excellency,

*The Governor of Maryland:*

MR—

I have the honor to enclose a joint report from George W. Hughes, Esq. and myself, giving in detail the calculations and the data upon which was based our report of the 26th of July 1836, in reference to certain surveys and examinations for a canal between the city of Baltimore and the Chesapeake and Ohio Canal, exclusively within the limits of Maryland.

I am very respectfully,

Your obedient servant,

CHARLES B. FISK, Engineer.
