

the "picks," the following is hard to beat:

The moon was rising silver bright;
All followed by the minnows slow,
Dived from her from moonlight height,
Exulted. Now, that's foolish, Joe!
An hour passed on; the Tuna awoke,
A humble-bee went thunderswinging
To hover in the sulfur smoke,
And spread its pale wings.
A small echo of the water was heard,
It was a lad of high resolve,
And deep the pearl-carrying
Jaws Scroogies coursed. Moly Brown
Loud roars the wild, infantine bellow,
And clouds set the sun at speed,
When twilight drew its fast,
And roll the thunder drum of heaven,
Oh, ever thus from childhood's hour,
The fishhook and trumpet fast arrayed;
Beneath you I mantled down,
The full frog croaks his serenade,
My hope is like the red, red rose,
He taught a ring with just cause,
Our Baray Holkin broke his nose;
And, Saxon, I am Roderick Finn!

FACT, FUN AND FANCY.

PERIOD in its effects to either Persian or

any other Guano.

By Dr. James Higgins,

FOR THE LAST TEN YEARS

State Agricultural-Chemist

OF MARYLAND.

This combination of Persian and the

Phosphate Guano was first recommended

by me more than six years ago, and very suc-

cessfully used by many planters and farmers in

this State, and in several others.

It has been presented to inventors.

If this statement be denied, I have abundant

proof of its correctness.

A long experience as a practical planter and

farmer, with a constant analytical examina-

tion for more than ten years, of every kind of

soil and fertilizer, (all kinds,) and

especially others in the market,) will en-

able me always to furnish them, who may

trust me with their orders, with the best, purest

and therefore the *cheapest* Manures.

Farmers and others will be furnished

with the best of Persian and the best of

Magnesian Lime, according to the

best of the Soil.
