Poetry
A SONG
Drenched by the wintry seas,
Sailed and blown,
Down the distant tides,
Where was the breeze
Who, when the autumn breeze
Blowed thy rest,
Drove thee, with signs like these,
Straight to my breast?

Ancient Ruins in the United States
Dim and mysterious is the early history of man on this continent. It may be presumed, to the regret of human research, that the ruins of ancient cities are frequently discovered, but that of a race that has long since passed away—probably exterminated by the ancestors of our present Indians, who are also fairly dying out, before the ever-advancing influence of the pale-faced invader.
