The following is the most authentic reported majorities in the city of Baltimore and the several counties for Breckinridge and Bell, as far as ascertained, :

	Breckinridge.	Bell.

The majority in the State for Breckinridge over Bell is 701; over Douglas 24,643; over Lincoln 38,174. The combined democratic vote of Breckinridge and Douglas over Bell is 6,614.

UNION DEMONSTRATION IN KENTUCKY. A meeting of the Bell and Douglas men was held in Lexington on the 12th inst. when resolutions were passed denouncing, in strong terms, any attempt at secession and disunion by any State. Speeches were made by Gen. Leslie Coombs and others.

A large and enthusiastic Union meeting, irrespective of party, was held at Henderson on the 12th inst. Ex-Governor Dixon presided, and strong Union speeches were made by Bell, Breckinridge and Douglas men. Resolutions were passed, in which secession was strongly deprecated.

A meeting of the people of the whole county has been called for to-morrow.

THE NEW CABINET.—It is understood (says the Baltimore *Exchange*,) that Corwin, of Ohio, can if he will, occupy a prominent position in Mr. Lincoln's Cabinet; and in the event of his declining to do so, an invitation will be extended to Mr. Ewing, or Mr. Vinton, of North Carolina, who are also as confidently mentioned in this connection.

President Buchanan headed a subscription list on the 12th inst. for the relief of the sufferers in Kansas with one hundred dollars, and gave assurance that he will appeal to Congress in their behalf.

FUGITIVE SLAVE CASE IN CHICAGO.—A negro slave—Eliza—having escaped from Nebraska, was arrested by the United States Marshal last night. The arrest was stopped in the street by an excited crowd of negroes, and compelled to give the woman to the custody of the police, who lodged her in the armory for safety. The streets in the vicinity were crowded with negroes and some whites, all highly excited.

The Philadelphia *Inquirer* says that it is estimated that there are about ten thousand applicants for office in that city, under the new National Administration. This number is about one fourth of the vote cast for Lincoln in Philadelphia.

THE MISSES Allen and Dodge, both of Detroit, have resigned their position in the Land Office in Washington, on account of Lincoln's election.

THE 29th of November has been set apart as a day of Thanksgiving in Kentucky, North Carolina, Maryland and Kansas.

He would state that the advance in goods *from the MANUFACTURERS, and not from Wholesale Dealers*, as is usual with Southern Houses—thereby getting them at FIRST PRICES; and he is now enabled to offer them at *LOWER PRICES* than those who purchase from second hands, after one profit has been made on them.

BAUGH'S

RAW-BONE

SUPER-PHOSPHATE OF LIME.

ANALYSIS:

7 to 8 Per Cent. of Ammonia, and 54 Per Cent. Bone-Phosphate of Lime.

FOR FALL SEEDING it is a most invaluable manure, being made from pure Raw-Bone.

IT ACTS DIRECTLY—bringing forward the young shoots of the grain and grass, giving them a vigorous growth, healthy color, and imparting strength and stamina.

IT IMPROVES THE LAND PERMANENTLY. It does not, like Peruvian Guano, stimulate the growing crop, and leave the soil exhausted, but leaves the land permanently benefitted.

FARMERS AND PLANTERS, GIVE IT A TRIAL.

It is rapidly working its way into favor, and is a reliable fertilizer.

Price $45 per ton of 2,000 lbs., in Baltimore, in strong sacks of 160 lbs. each.
