ROCKVILLE, MD.

PRIDATE :: MARCH 22. 1861.

reconstruction, is a declaration we published injour last issue. It is a fact and it grieves dating and efficient officer, we do not desired us to record it. Hat the confederacy known is the United States of America does not now exist. Whether such dissolution has been effected eightfully or wrongfully, and whether it be temporary or final, are questions which admit of discussion and dispute. But the among us, who espoused his caused its surface of the interest of the thirt between and dispute. But the who have been mentioned as likely to succeed. nizance of the proceedings of the Gulf States, the Supreme Court may declare the accession ordinances null add void, and the people may continue to speak of our "disastisfied fellow-countrymen" of the South, but nevertheless city so one knows anything, the government of the Confederate States is a tabborn existing fact, and their people are the government of the Confederate States is a stubborn existing fact, and their people are to all intents and purposes, at least for the time being, a separate and independent people from the surround. Softman Country assembled at Poolescille, in this country assembled at Poolescille. pie. They will, within a brief period, have to claim the recognition of the world as one elegantly mounted and hard-omely the family of natious, and they are pre- a brave and chivalric body of gallan erce them. All our efforts ty and justice require protection to States to coerce them. All our efforts. The Infantry, Capt. Flarchair, numbering to been powerless to prevent or even check about forty men, though not in uniform elithe progress of the revolution which has produced the progress of the revolution with which they executed the procession with which they

ou. had a war of conjuest in order to extend out had a war of conjuest in order to extend out had a war of conjuest in order to extend out had a war of conjuest in order to extend out to the large that extend out the large that extend off the large that extend of the large that extend out the large that Confederacy, by what meaures and through what see instrumentality can that desirable results of a complished? It is clear that the Aujor Anderson sent to Quartermaster Hatch, which allowing REAL ESTATE, to wit: Allthat Major Anderson sent to Quartermaster Hatch, or the following REAL ESTATE, to wit: Allthat the part of the 2d part of concessions, not it to do one so to do, any overtiles proceeding solely from that source cognized by the French Emperor and the LING HOUSE and a Statele.

The improvements consist of a small DW Longith government. The torquish government Tellus OF SALE.—One-third of the particle consideration. Upon the Border States, tach, the work of reconstruction, if it is to be consummated at all, must mainly devolve. overthese proceeding solely from that source of the regarded with distrust and receive to the regarded with distrust and receive the sount is not expected to do so included a minimal government. The torthing government the relative to the consummated at all, must mainly devolve. They alone can frame such a compromise as would satisfy both sections, and they alone can induce the Northern and the Guif States to units apon any proposition whatsoever.

But if it is possible, as we believe it is, for the Border flattes still to save the Union, they can only do so by faking some immediate and decisive step. They must act before the log-soly with which all man have been wont to reach the Union shall cause to animate them before the Union shall cause to animate them before the bound of the old Union.

Some excitement was created this evening the exceptable to south Carolina, and new works have alreaded and not apply the appearance of a steamer from the North Sall have become embittered against each other was created that their local interest will be seen promated that their local interest will be seen promated that their local interest will be seen promated that their local interest and the statement of the fore the profile and the statement of the fore the promated that their local interest will be seen promated to such constant and the first Allours, the profile and the statement of the fore the profile deep the profile and the profile and the profile and the statement of t

refore the People of the North and South a line and before the inhibitants of the Gull satisfied that their local interest will be test promoted by a separation. Every week a delay addanter to the Chances against a reconstruction of the Union. Some excitement was created this evening. WE, the undersigned, citizens of Montonic that their local interest of the Gull of Fort Nameer. The Confidence of the all known it may concern, that we will apply to discuss that their local interests will be test promoted by a separation. Every week a delay addanter to the fortification of the Concern that we will apply to all known its may concern, that we will apply to all known its fail now to take any decisive step, we believe untertain future that lies before them.

Lind Connendation.—At the instance of the U.S. Guvernment, for the use of the Washington Aqueduct, a jury of condemnation was impanted on the 18-h lantant to assess and the damages austained by Wm. Read-award, the damages austained by Wm. Read-award will be preserved.

Burta in high republican circles give the carriage-mikers out of employment in R Haven. "Nobody is suffering anything."

THE SENTINEL. Prinda L. Pane There appeals considerable Anxiety at this time as to who is to receive the president's heatin, in the from Mr. Lincoln the small favor of Pritt about the President's heatin, in the Master at Rockville. Beyeral gentlemen hard increased demands made upon him by the heat hamed for the place, who are very good greatest throng of greedy office-seekers, and if the office was vacualt every hue and stripe, that ever besieged the stripe of Washington. A republican writer anxiety at this time as to who is to receive republicans are becoming seriously concerned from Mr. Lincoln the small favor of Pigt about the President's bealth, in view of the THE UNION. ... we would have no objection to stine one getthe Union is dissolved, let us later for its
thus the appointment. But as the present inthe New York Times that Mr. Lincoln is direconstruction, is a declaration we published cumbent Mr. D. H. Boute, is a very accommor ready worn down by the extreatics of polit-

terrible fact that the Union is now dissevered is not to be gainstid. Men are unwilling to make the admission—the country is loath to yield to the conviction—but, all who give to pusing events an instant's calmand fair consideration must mounfully realize the extent of the calamity which his overtaken us. The feleral government may decline to take cognized to the proceedings of the Guilf States, right of the proceedings of the Guilf States, the Suppreme Court may declare the secession of the suppreme Court may declare the secession. terrible fact that the Union Is now disserved who have been mentioned as likely to succeed FARRWELL TO SENATOR CRITTENDEN .- A large

> county, to witness the drill anit parage of the military companies of that place. The day and commissioners to represent the Confederation of the military companies of that place. The day and the commissioners to represent the Confederation of the companies of and their navy. They are about my, Capt. Whith, were out in fall

these dire results. We have warned cited much admiration for their creat perfec-

avors we have failed to save the Republic. They puzzled in view of the "breaker ahead," heavers we never target to seed the Vrays of White goving a reductant consent to the evaluation of light seed to the Vrays of White goving a reductant consent to the evaluation of Fort Sumter, as a "mile tary nehave con inually faded before the auxious cessity," they evidently begin to see that the witches win discovered them could point new tariff and the collection of revenue will. Grain.—We notice a continued good demand venience in his power.

BENJ. COOLEY.

The Union, then, is disolved, in I nothing is supers remarks, they fear an extra session, are still restricted by limited receipts, this
