ATTENTION. ALL YE LOVERS OF GOOD COFFEE!

Save your Money, and always have Good Coffeel Thus can be done by using one of HEERMAN'S

Celebrated Coffee Roasters!

THIS is a little invention that every woman requires, as an article of economy and convenience. The coffee roasted in this machine is not only better and far healthire, but much stronger, as the aroma is retained and not destroyed in the roasting. It therefore re-

quires less coffee.

One pound of coffee can be roasted in from ien to twelve minutes, and two pounds in twenty minutes. It is so constructed, that the soffee is kept constantly in motion, and exposed to the same degree of heat: consequently, all the grains are roasted ablic, and have exactly the same flavo:—no fortice flavor being required from over-roasting, or not rewising enough. A glass wind on is prepared at the end of the evilinder, so that the coffee may be supported just as much as if it was in an opin end of the cymuci, so that it was in an open versel, obviating the danger of routing too much and the aroms passing off, which would much, and the aroma passing off, which we necessarily occur did the matchine have to opened whenever you wished to inspect the coffee. It will, beyond all doubt, make bet-
