THE SENTINEL.

State Nominations of the Peace Party

FOR GOVERNOR,

GENERAL BENJAMIN C. HOWARD.

FOR COMPTROLLER OF THE TREASURY,

A. LINGAN JARRETT.

FOR JUDGE OF CIRCUIT COURT OF 2D JUDICIAL DIS.

ELDRIDGE O. KILBOURN.

Peace Resolutions of the Maryland Legislature.

WHEREAS, it is the judgment of the General Assembly of Maryland, the war now waged by the Government of the United States upon the people of the Confederate States, is unconstitutional in its origin, purposes and conduct; repugnant to civilization and sound policy; subversive of the free principles upon which Federal Union was founded, and certain to result in the hopeless and bloody overthrow of our existing institutions; and

WHEREAS, the people of Maryland, while recognizing the obligation of their State, as a member of the Union, to submit in good faith to the exercise of all the legal and constitutional powers of the General Government, and to join as one man in fighting its authorized battles, do reverence, nevertheless, the great American principle of self-government, and sympathize deeply with their Southern brethren in their noble and manly determination to uphold and defend the same; and

WHEREAS, not merely on their own account and to turn away from their own soil the calamities of civil war, but for the blessed sake of humanity, and to avoid the wanton shedding of fraternal blood, in a miserable contest which can bring nothing with it but sorrow shame and desolation, the people of Maryland are enlisted, with their whole hearts, on the side of reconciliation and peace; now, therefore, it is hereby

Resolved by the General Assembly of Maryland, That the State of Maryland owes it to her own self-respect and her respect for the constitution, not less than to her deepest and most honorable sympathies, to register solemn protest against the war which the Federal Government has declared upon the Confederate States of the South, and our sister and neighbor, Virginia, and to announce her resolute determination to have no part or lot, directly or indirectly, in its prosecution.

Resolved, That the State of Maryland earnestly and anxiously desires the restoration of Peace between the belligerent sections of the country, and the President, authorities, and people of the Confederate States, having, over and over again, officially and unofficially, declared that they are willing to throw down the sword, the instant that the sword now drawn against them shall be sheathed, the Senators and Delegates of Maryland do beseech and implore the President of the United States to accept the olive branch which is thus held out to him; and, in the name of God and humanity, to cease this unholy and most unnatural and unavoidable strife, at least until the assembling of Congress in Washington shall have given time for the prevalence of cooler and better counsels.

Resolved, That the State of Maryland desires the peaceful and immediate recognition of the independence of the Confederate States and hereby gives her cordial assent thereunto, as a member of the Union—entertaining the profound conviction that the willing return of the Southern people to their former Federal relations is a thing beyond hope, and that the attempt to coerce them will only add slaughter and hate to impossibility.

Resolved, That the present military occupation of Maryland, being for purposes, in the opinion of this Legislature, in flagrant violation of the Constitution, the General Assembly of the State, in the name of her people, does hereby protest against the same, and against the oppressive restrictions and illegalities with which it is attended; calling upon all good citizens, at the same time, and in the most earnest and authoritative manner, to abstain from all violent and unlawful interference, of every sort, with the troops in transit through our territory or quartered among us, and patiently and peacefully to leave to the Federal Government the ultimate and certain re-establishment and vindication of the right.

Resolved, That, under existing circumstances, it is inexpedient to call a Sovereign Convention of the State at this time, or to devise any measure for the immediate organization or arming of the militia.

Daniel Webster on the Right of Free Speech in War Time.

It may be well to calmly weigh, at the present time, the following words of Daniel Webster. They were uttered in defense of a great principle; and the right to practically illustrate that principle, within reasonable bounds, and at *all times*, will be found to be essential to the safety of our free institutions. Mr. Webster said:

"Important as I deem it to discuss, on all proper occasions, the policy of the measures at present pursued, it is still more important to maintain the right of such discussion in its full and just extent. Sentiments lately sprung up, and now growing popular, render it necessary to be explicit on this point. It is the ancient and undoubted right of this people to canvass public measures, and the merits of public men. It is a home-bred right, a fire-side privilege. It has ever been enjoyed in every house, cottage, and cabin in the nation. It is as undoubted as the right of breathing the air, and walking on the earth. Belonging to private life as a right, it belongs to public life as a duty; and it is the last duty which those whose representative I am shall find me to abandon. This high constitutional privilege I shall defend and exercise within this House and in all places; *in time of war, in time of peace, and at all times*. Living, I will assert it; dying, I will assert it; and, should I leave no other legacy to my children, by the blessing of God I will leave them the inheritance of free principles, and the example of a manly, independent, and constitutional defense of them."

A LIEUTENANT SHOT AND KILLED.—On Monday night, a lieutenant of the 21st Massachusetts regiment, named Stoddard, stationed at the Annapolis Junction, was shot and killed. It is alleged that he attempted to pass one of the pickets, in disguise, and that having been ordered several times to halt, and paying no attention thereto, he was fired upon, and shot through the body. He lived about three hours after receiving the wound. No blame is attached to the picket, as he was acting in discharge of his duty.—*Sun.*

A FORT AT THE RELAY HOUSE.—Surveys have been made, and ground broken for a fortification of considerable magnitude on the south side of the Patapsco river, at the Relay House, Washington Junction, on the eminence just east of the viaduct, which commands the country and railroad tracks of the Washington branch and Baltimore and Ohio railroad for some distance in either direction. It is proposed to name the defense "Fort Dix."

BAUGH'S RAW-BONE SUPER-PHOSPHATE OF LIME.

ANALYSIS:

7 to 8 Per Cent. of Ammonia, and 54 Per Cent. Bone-Phosphate of Lime.

FOR FALL SEEDING it is a most invaluable manure, being made from pure Raw-Bone.

IT ACTS DIRECTLY—Bringing forward the young shoots of the grain and grass, giving them a vigorous growth, healthy color, and imparting strength and stamina.

IT IMPROVES THE LAND PERMANENTLY. It does not, like Peruvian Guano, stimulate the growing crop, and leave the soil exhausted, but leaves the land permanently benefitted.

FARMERS AND PLANTERS GIVE IT A TRIAL.

It is rapidly working its way into favor, and is a reliable fertilizer.

Price $45 per ton of 2,000 lbs., in Baltimore, in strong sacks of 160 lbs. each.

This Fertilizer has been severely tested, in comparison with Peruvian Guano, by many of the most successful and intelligent farmers of Virginia and Maryland, from whom we have received numerous letters and certificates of approval. We submit the following extract from Prof. Morfit's report upon the Soluble Phosphated Peruvian Guano, viz:

"The above analytical results express a high order for this Fertilizer, and indicate that the formula for its preparation was founded upon sound principles of agricultural economy and efficiency.
