## Montaan Emin Senin Two Dollars if paid it and at the year

no Pollar and Firty Cents, if paid in advance.

THE PERSON OF THE PARTY ..

ROCKVILLE, MARYLAND, FRIDAY TORNING, NOVEMBER 29, 1861

expects as well as neeks ler." he thought continued to live as scantily and coarsely when the hour comes." Meantime he Eight busy years hal thus gone by.

The peforth Berthold dreamed onth the wording seem, of hillifying from the little germ. Just large growing seem and leaf, thou in definition of stem and leaf, thou in definition of stem and leaf, thou in the finite strike there was no arm so strong as his to be goon the given trees, pronounced, with currous certainty, its name, and age, and history. Early strong from the green roof above, or watched from the green roof above, or which the green roof above, or watched from the green roof above, or which the green roof above, or watched from the green roof above, or watched from the green roof above, or watched from the green roof above, or watched with equal flicinity for the green roof above, or watched from the green roof above, or watched with equal flicinity for the green roof above, or watched from the field that you containts that the spirit of the volunter of the wind the patrice of the as he created regardly and stocking from and a warper hearth—but such as gave months were genuine facts and not the his his life, word or warped him. He cally his name and fame in the early historic material of a baseless vision.

The provisions, and in the longest chase neither foot, nor eye, nor hand ever field him.

Added to these accomplishments of the saidly sun striking botts. Added to these accomplishments of the saidly sun striking botts. Spicuous in the annals of Germany. He added to our Confederacy, while, instead der, consures them against a depreciation of their threatened march of unchecked below the value of that stock, and no claims, if captured, to be considered as a proverbal sayings, which, another were genuine facts and not the privileges of freemen. Afters even months becoming such a medium. The provisions that the Confederate Treasury noto is fast that skilled weedsman, was his treasure of down the forest opening. His heart best built the Castle of Zahringen and the of their threatened march of unchecked below the value of that stock, and no claims, if captured, to be considered as a proverbial sayings, which, quickly. Were they—could they be—city of Freiburg, and erected and enconquest, they have been driven, at more considerable fall in that value need be prisoner of war, but must expect to be handed down from parent to child, supplyed, they certainly were silver! Berthold, dowed the monasteries of St. Ruprichat, than one point, to assume the defensive; feared so long as the interest shall be dealt with as an offender against all law, and upon a fix convenient between the treatment of the restriction. The restriction of the res handed down from parent to child, supprience. Grown into a youth, Berthold, but less diligently, as was the close of his career, the old

possible improvement than the clearer outlook for
possible improvement Fortune comes to him who These he concealed for future use, and

when the hour comes. Meantime he was not idle. He straightened the clay when the conjeror, flying before his rewards took of the bovel, put on a new roof of believes and boughs, and bought a new zerstuhl mountains in the Breisgan. The of the conjeror took of th pot for the chimneylers hearth. This little grow he led thither was constantly be kept also well supplied with game. diminished by describin and death, while presumed itsult, replied:

"I have none, and if I had—" saying the while; "Poverty is cunning, it outwits even — for." But when his father arged him to get piled, "No! no! better alone than in bad company. Who knows? I may yet marry a queen."

I may yet marry a queen."

I may yet may years. After a saticty of many years. After a saticty of marry a queen."

I may yet may years. I may yet marry a queen."

I may yet may year. I may yet satisfies on hope dies of hum ger, "retorted the old sam. "He who lives on hope dies of hum ger," retorted the old sam. "He who lives on hope dies of hum ger," retorted the old sam. "He who lives on hope dies of hum ger," retorted the old sam. "He who lives on hope dies of hum ger, between the population."

Slow and sure wins the race, "re to the him should be consult about the preliming of the forest, saying the missted upon making her a party to the older, must be carefully guarded and improved. And this should be the old had a his commanded by described and improved. And this should be the old had a his commanded by described and interior, and have deep her right to be neutral, and have deep her right to be neutral and have deep her right to be neutral, and have deep her right to be neutral and have the problem of her for the purpo glea that it never failed to restore
