DRINKING BONG.

From the rosy lidded past Sweet wa'll draw the cover, Prink—the streams are flowing fast— Drink to friend and lover. Shinbg draughts to friends of youth.

Every heart whose proven truth Hade our own grow fonder Hera's a health to lips and eyes.

Drink the dream that's over,

Health to every rover.
With the hand upon the heart,
Drink to love that cever;
Time's a fip to those who part
Pledged to love forever. From the rory-lidded past

Life is but a rosy draught.
Drink—the stream is klowing rink-a thousand joys are qualled Whila the tide is flowing.

A humorous Storn. "CALL A"HAN."

John Jackson was a hard-working man and only son, he had always remained at ticking John upon the knees home, assisting his father upon the farm

joined the Jackson farm. Nancy and barn, still running at the top of his a thousand deaths; brave men die but a pretty saucy little witche, and abe little speed, his heaf threed so that he might lone, and conquer though they die.

John Jackson. When they were called her one eye on the snake, and with the dren, they attended the same school, and wher, observe what course he must take your commanding general has learned of

August. The pin was every serious of the hot handle has was in the course of the resulty betained us, he as removed the freit, and the benefits his fact, the barn the sinks come result with a fact that from is our trust, and the greathest Eight of the course has a barn to sinks come result with a fact of nations and of men will protect their concess the concess while the concess while the fact of the fact of the right and crown with victory the to earth concessors such letty flights. Hiving reached the barnyard, to his ble and the brave. thought, have concluded to word it thus: Lar, snapping like an India cracker. "The farmers of Chesterville had

that afternoon. His father had gote to his baddulas and modesty, and again the same of the part. We will yet strike that afternoon. His father had gote to his baddulas and modesty, and again the work of the property of the ground, and left John to repair some in a straight line, drawing steadily at the some incommence moving the meadow grass.—

The house now because the centre of Saddenly it occurred to John, that is he attraction, and around it he revolved with remained about the house that afternoon, the speed of thought. Four times in the metal he attraction, and around it he revolved with remained about the house that afternoon, the speed of thought. Four times in required to do the honors of the table. his snakeship come around with a whiz that was quite refreshing.

To avoid this, he quietly shouldered his that was quite refreshing.

While describing the third circle, at opinion of the Chief Auditor of the Trda. that he could not see to more, so is to snake, he managed to ery out -
