THE SENTIN

POCKVILLE, MD

Pebruary

To Our Patrons We introduce to you, to-day, friend, and our former Editor, Gao. pocz, Esq., as joint proprietor and with us of this paper. The pleasure which the return of

an to the editorial chair afford M ful certain, be shared by all of remember his past services in this de and the remembrance of these will dent amurance that his future effe directed to the enhancement of the terest of our paper, and to build: y year " most holy faith."
As intimated above, the Sential this date, be published under the ni

and firm, of France & Baannock.
done in the past, so will it, in the fa sile a candid and conservatire course ing alobe upon its merits for suppo ing no uncarned favors, and shunni responsibilities aiming to enforce condema wrong, in every relation properly within the province of a publ Especially, will it seek to vindicate the ty of the Federal and State Constitu the rights guaranteed to the people sacred charters, against the insidio and monstrous agencies invoked for sorption by an irresponsible militar chy. In abort, the Sentinel will en keep the people of this county advis extraordinary events transpiring in jointed times, is order that they me intelligent judgment upon the sam prepared to meet the issues favoir with deliberation, comment, and fir To do this, it is important, as it a desirable to us, that our jusper shell way to every family in the county knew of no better method to accom than by calling upon every men himself able and who does not seried therefor at our explain as it is a under its new annick. We, there settly are all the feet faterested one of our enterprise, and who w

as we would like to make a draft all Do not try to excuse yourselve ing on your neighbors to become y tutes, for, in this little engagement o have need of the services of every on It may not be improper; in conclu ply to hint to those of our patrons, counts stand open on our old book our new arrangement will require a it may save us some trouble bereaft will entitle us to lay the former a

wall-laformed upon the momentous the day; to come forward, without of have their names excelled upon our tion book. We hope to bear of no

receipt in full to date, just opposit "THE RECEIVER AS BAD AS THE We confess our surprise has been t excited by learning that some citis sounty have been purchasing rails timber, cut, under authority of th ment of the United States, upon la declared confiscated by the same po ing for granted the proposition that sen of the State of Virginia is equi sen of the United States, and deny have ever done, the right of the G to confiscate the property of its own we most emphatically denounce, in sent instance, any such flagitious less can we reconcile it to any p justice, for citizens of our own Sta

chase property acquired under suc stauces, and belonging to citizens We have ever held the receive goods in as contemptaous estimate this himself. The property of a Virginia, we consider quite as me perty after it is stolen, as the pre-sittees of Maryland is his, under i stances we care not whether stol thority or otherwise; and we was our own citizens as have participa

mate comequences of their own ac EMPLOYING CONTRABANCE -Equi rent as the abore, to our senre o the propriety, advocated by some, ing contrabends in all cases when vices can be turned to profitable a contraband is nothing more nor l runaway slave; and we can see he between inciting a slave to run awa ing one who has already run away the law, which, in our State, aubjet to penal consequences; and wisely what other effect would the hiring bands have than to hold out ladu

knows that, by so doing, he could self out?
