MANUFACTURED BY THE Boston Milling & Manufacturing Co. Beston Milling & Manufacturing Ce.

Filie Value of Unburnt, Unadalterated

Bone is well known. When reduced to
the condition of Flouli, it is as active as
if dissolved by acid, and is far better, because
it retains all its phosphates. It is superiorie;
over the common Bone Durr is two-fold or
more. It is a consummation bought for in
vain for the last half century, and is desined
to give new value to BONE and Franchista,
and work a revolution in its issue. The
BONE FLOUR is made only by the above
Company, and is branded with their trade
mark, which is the guarantee of its genuineness.
