ONG OF THE DECANTER.

There was an old deem ter, and its mouth was gapeng wide; the roly wine had had away and left ita crystal side;

west bomming the mining, as inp and the street the shear the shear through the reed-like hollow neck the wildest sots it as I neared it in the street in the street it in the street i blew. I placed it in the

blowing free, and fancied that its
pale mouth sang the queerest strains to
me. "They tell me, pusy conquerors! the
Plague has siain his ten and War his bundred
thousand of the very best of meu; but!"—t' was
thus the bottle spoke—'hut! have conquered
more, than all your former conquerors, so
feared and famed of yore. Then, come,
ye youths and maidens all. come drink
frem out my cup, the beverage that
dulls the brain, and burns the spirit
no! that puts to shame the conquer-

dulls the Drain, and provided the conquer up! that puts to shame the conquer ors that slay their scores below; while this has deluged millions while this has deluged moe. Tho' with the lava tide of woe. The

victims in their homes are crushed, I've damned the very soul. The Cholera, Plague and Sword, such ruin never is mirth or maine, on innocence have brought.

And still I breathe upon them and they shrink before my breath; and rear by rear my thousands tread THE DISMAL ROAD TO DEATH
