

**THE SENTINEL.**

ROCKVILLE, MD.  
Friday Morning, August 11, 1871.

**DEMOCRATIC CONSERVATIVE TICKET.**

For Governor,  
**HON. WM. PINKNEY WHITE.**

For Attorney General,  
**HON. ANDREW K. SYESTER.**

For Comptroller of the Treasury,  
**COL. LEVIN WOOLFORD.**

**Personal Communications.**

We give place, in another column of to-day's issue, to the communication of "R. T.," assigning reasons for preferring the nomination of one of the worthy gentlemen named for the next State's Attorneyship to this county. We have not the least objection to communications of this character, but, as it is more than probable that this line will be followed by others from friends of other gentlemen whose names are prominent before the public for this and other offices, we hope that it will be borne in mind that no paper in the State or country publishes such articles gratuitously. It is the uniform and invariable practice to charge for all matter having for its object personal advancement or that of particular friends, as will be seen by reference to the terms of our own or any other newspaper. Therefore, in all such cases, we shall expect to be paid according to the usual rates of advertising.

**The Democracy of Maryland.**

As dwined right things accomplish much that is done in this degenerate day, we are not surprised to see that the Radical press of the State have seized upon the address of Hon. Wm. Pinkney White, accepting his nomination for Governor, and distorted it into a false meaning and three little words the "radical events," are made to convey the idea that he belongs to the "New Departure school" of politicians. The plain truth is, the Radicals are solely exercised over the fact that, in which the Convention stood by its Democratic principles, and finding nothing of inconsistency in its proceedings to arrange, they abuse the Convention because it did not pass blood and thunder resolutions endorsing the infamy of the Radicals. What better course could they take than to ridicule the Convention because it failed to gratify them? The Convention did right; it treated this whole business with silent contempt. Its members no doubt recognized the fact, that if Ohio Democrats wish to fight their local battle with certain tact, they ought to do it. But does the course of our friends gain them any Republican vote? Which they must have before they can carry the State? There is not a Radical paper in the country that does not laugh and crow at the bare idea of introducing such a question into the Democratic ranks. Many of them boldly assert that the Democracy persevere in their "New Departure" doctrine, it would be an endorsement of Radical policy to gain Radical votes, because it was believed the elections could be carried in another way.

**Improvements—Public and Private.**

AMID the general depression of business, usual at this season of the year, it is quite pleasing to note the evidence of improvement and enterprise as witnessed around us. Our town authorities are actively engaged in repairing the streets, clearing out the gutters, paving, and making the rough places smooth. They are erecting and preparing to erect several new buildings, and a new and more valuable contribution to the real estate in Rockville, in the shape of a large and handsome two-story building, lower floor designed for "Montgomery Female Institute," and the upper for the Masonic Lodge, of the town.

A new porch, of modern style, is being put in front of the "Kendall Block," now so satisfactorily kept by our young energetic and enterprising host, Wm. F. A. [Name]. The building has been beautifully and admirably furnished, and will be a credit to the improvement and adornment of our town. It is a great credit to the building and the building for the improvement and adornment of our town.
