TRUSTEE'S SALE.

D'I VIRTUE of a decree and a subsequent order of re-sale passed by the Circuit Court for Moutgomery County sitting as a Court for Equity, in a cause in said Court, wherein Benjamin T. Hodges and others are complainants, and Eliza D. Hodges and others are defendants, the subscriber as trustee will offer at public auction at the Court-House door in the town of Rockville, in said county— On TUESDAY, the 10th day of October, 1871, at 12 o'clock, M.

all that jortion of the real estate of the late Dr. Benjamin B. Hodges, which was heretofore sold by the subscriber as trustee to a certain John Wiley, trustee for E. E. Estep. This farm is situated in Montgomery county on the road leading from the Georgetown and Rockville turnpike, at Darcey' Store by way of Peirce's Mill to Washington, is about fire miles distant from Washington, and a half mile from said turnpike, adjoining the lands of G. M. Watkins and Joseph H. Bradley, sr., and contains

90 Acres of Land, more or less

a fair proportion of which is woodland.

The farm is in a fair state of cultivation, and is is improved by a comfortable frame dwellingshouse and the necessary out-buildings. Its beautiful location and proximity to churches, markets, mills, &c., and the excellent society of the neighborhood, commend it to the favorable consideration of persons desiring to curchase a home.

to the favorable consideration of persons desiring to purchase a home.

**FERMS OP SALE.—Cash on the day of sale; and if the highest bidder at said sale shall fall then and there immediately to pay the purchase money the trustee may reject such bid and accept the next highest bid upon the same terms; and if the next highest bidder shall also then and there fail to pay the purchase money the trustee may reject his hid also, and postpone the sale to some other day. A deel from the trustee to the purchaser to be made upon the ratification of the sale by the Court and the payment of the whole purchase more and not before.

Conveyancing and stamps at the cost of the purchaser.

conversacing and stamps at the cost of the purchaser.

BENJAMIN T. HODGES,

Mr. Wm. E. Shaw, of Colegrille, writer

John W. Bell, of Beliaville, Prince Georgela, Connty, advises: "I need lister Bone and Peravian Gione bast foil in the proportion of little over one-third Peravian Gionno to the Bone on a portion of my land, and on another portion Peravian Gionno anot sell-oth appear at the Lister Bone and Gionno the Grop was letter than where I used the Gionn and the character of the land the Same. I also used Lister, Bone on only last year with good success."

hine wheat crop, and have a fine set of grass."

Mr. Sam'l S. Cashell, writes "I used Lister Bone and one-third Peruviar Goano, mixed last tail, as the rair of 320 pounds to the are, and have never had better results from any other fertingers. This mature cost in \$11 per ton less than my mighbors say for fertingers. I had a fine opportunity of testing it to one of my fields, which was very peor, and not expedic of producing more than two barrels of con to the act, I used this mixture at the same rate, and the wheat crop from this field was nearly equal to that from my best fand. My neighbors think mice the best crop of wheat in the neighborhood, and I think it equal to any in the county. I have also a fine set of grass following the wheat. I have used it on potators also with success—I recommend it highly."

it on potators also with success-1 recommendate highly."

Mr. John H. Gassaway, of Darnestown, writes: "I have used Lister ione for several years, applying it with one-daird Peruvian Goono at the rate of 360 pounds per acre, on all kinds of crops, and I have made as good crops as my neighbors who have used other fertilizers at a cost of ten or fiften dollars more her foun. I raised last fall a large and uniform crop of wheat, and have now a fine set of grass. I shall continue to use it on all crops." Mr. A. C. P. Shoemaker advises : I have need

Mr. N. C. Dickerson advises: "Nothing I have ever used in the way of fertilizers has given no more satisfaction than the Linter Bone, used with one-third Perusian Guano, I have used it several reasons on all crops."

Rev. Jas. S. H. Henderson writer: "I was much pleased with Lister Bone and Peruvian Guano that I bought from you last fall. In a field that I sowed with this mixture I used a tew bags of * * * * * through the centre and there was marked difference in favor of Bone and Peruvian.

Air. John L. Durief writes: "I have need Lister Bone with one-third Peruvian Gunno and Plaster for the past 3 years, on all kinds of seeding, with great success, raising good roops and restlizing after wheat, fine sets of grass. I have saved from \$10 to \$15 per ton in the cost of my, fertilizers by using this mixture; have had good crops, and improved my land. I recommend it highly and shall continue the use of it."

Mr. Americus Dawson, of Dawsonville, ad-vises: "I used Lister Bone with one-fourth Pe-ruvian Guano on my wheat crepllast fall at a cost of seventeen dullars; ser ton less than my neighbors paid for the fertilizer; they used, and made equally a most excellent crop of wheat, am much pleased with the article."

Mr. Samuel Dyson of Dayronville, advive I am much pleased with application of maxture of laster lione and Peruvian Gur form its application I have severed a fine a crop, and I consider it an existent article, about continue to use it.

Mr. M. J. Willer advises: "In the fall of 1800 I used 100 pounds of Guston and 200 II a of Lister Bone per acre on wheat, and had a fine growth of staw; tut a with all my coughbors, owing to the season, not much wheat. I used it on timuthy with success. I used the same noxitare last tail and raised a fine wheat crop, and have a fine set of grass."

the Lister Bone and one-third Heruvian Guand for three years past to good effect, and perfet it to all other fertilizers. I had this season It to all other fertilizers. I had this senson a fine wheat crop and an excellent fet of grass to follow. I have now the test field of clover in any part of my neighborhood. I have used it also on Postators with one-third Guano, and on corn alone with as greet success as to could nave anticipated. I shall continue to use it to the exclusion of all other manures.

Mr. John L. DuFief writes: "I have used
