

Hall's Vegetable Sicilian Hair Renewer

*Has stood the test of seven years before the public; and no preparation for the hair has yet been discovered which will procure the same beneficial result. It is an entirely new scientific discovery, combining many of the most powerful and restorative agents in the VEGETABLE KINGDOM to restore GREY HAIR TO ITS ORIGINAL COLOR.*

*It makes the scalp white and clean; cures dandruff and humors, and falling out of the hair; and will make to grow upon bald heads, except in very aged persons, as it furnishes the nutritive power which the hair is nourished and supported. It makes the hair moist, soft, and glossy, and is unsurpassed as a HAIR DRESSING. It is the cheapest preparation ever offered to the public, one bottle will accomplish more than just longer than three bottles of any other preparation.*

*It is recommended and used by the First Medical Authority.*

*The Wonderfully prepared by our Patent Lawyer have secured many manufacturing preparations for the Hair, under various names; and, in order to induce the trade and the public to purchase their compounds, they have resorted to falsehoods, claiming the secret of their preparation, and some connection with our Mr. Hall, and their preparation was similar to ours. Do not be deceived by them. Purchase the original; it has never yet been equalled.*

*Our Treatment on the Hair, with certificate sent free, shows that each bottle has our private Revenue Stamp over the top of the bottle. All others are imitations.*
