Original Poetry.

The Spot Where the Shanty Stands. BY EMMERANDA BOYER. Ah, bright, blue and free in the deep wide sea, That breaks on the shining sands, But blue is the sky that looks down, Over the spot where the Shanty stands!

Sweet will-flow in the forest gloom Of the lovely Southern lands, But the ferns grow green in the dim old wood Where the dear little Shanty stands.

Yet the rocks here and the willow waste Of old Time's cruel hand, Will scatter the friends who met and loved In the spot where the Shanty stands.

I will know as my soul remembers, A voice will speak to my lonely heart Of the spot where the Shanty stands.

Though my thoughts go forth to the South and North, Like rousing Arab bands, They will often turn at my spirit's touch, To the spot where the Shanty stands.

Again, again, I will take the strain That my young heart demands, And the song will be of the days gone by, And the spot where the Shanty stands. *Montgomery County, Oct. 13, 1871.*

It is a fact to be regretted that none of the pioneers of the movement that has for its object the abolition of slavery, ever looked to the future of the negro in any other respect than that in the extent of his emancipation he could receive a fair equivalent for his labor, and could contribute to the support of the community.
