Vegetable Sicilian Hair Renewer. This stands the test of seven years before the public, and no preparation for the hair has yet been discovered that will produce the same beneficial results. It is an entirely new and original discovery, combining many of the most powerful and restorative agents in the vegetable kingdom. It restores the hair to its original youthful color. It makes the scalp white and clean; cures dandruff and itching humors; keeps the hair out of the hair; and will make it grow upon bald heads, except in very aged persons, as it furnishes the hair with the nutriment it needs. It makes the hair moist, soft, and glossy, and is recommended by all the best medical authorities. It is the cheapest preparation ever offered to the public, as one bottle will cure more than three bottles of any other preparation. It is recommended and used by the First Medical Authority. The wonderful results produced by our Sicilian Hair Renewer have induced many of our friends to purchase the hair, and various means, and in order to induce the trade and the public to purchase the hair, we have had the original, it has never yet been equalled. Our friends, send for your mail. See that each bottle has our private Revenue Stamp at the top of the bottle. All others are imitations. R. P. Hall & Co., Prop's, Nashua, N.H. Sold by all Druggists and Dealers in Medicines.
