cate, the exponent and the executor of all that worth; of their support,

in an unhappy, distracted country, bad for- an affection of the heart.

country and the Constitution—the Democratic it is thought will adjourn this week or the party—which had its origin in the founding of early part of next. For cases of any moment the government -- can boast of a long career of have been tried the term. Most of the present ; usefalness to the nation; nor is there anything week has been occupied in the first of criminal rasts of present history or position to nal cases, nearly all of which were against make it obnorious to the people. It has piloted negrots. the nation through more than seven-eighths of Countstors .- The commission its voxage, defended the Constitution, united cers elected at the late election are being prethe States in a bond of peace and prosperity, and made the country great, both at home and and will be issued as soon as practicable. abroad. At the present time, it is the cham. Those for a number of the counties have alpion of the just rights of the States and of a re- ready been sent. Those for this country were tern to that pure constitutional igran of government, without which this nation cannot long exist as a Republic. This being the control of the State party as a personnent Read of State (County State) and qualified as the party can present such the party can present such the property many different party can present such the party can present such the special good patrious and set with the solution with the party of the Read of granization can the great fundamental principles upon the great fundamental principles upon the great fundamental principles upon the form which the hopes of the Republic rest? The Reading organization has thrown overheard the Constitution, and it affining upon the form the future but discord, contention and and all thrown overheards of the Constitution, and its driving upon the form the future but discord, contention and and all thrown overheards of the future but discord, contention and and discording the future but discord, contention and its driving upon the future but discord, contention and and discording the future but discord, contention and its driving upon the future but discord, contention and its driving upon the future but discord, contention and its driving upon the future but discord, contention and its driving upon the future but d turn to that pure constitutional form of govof the States, the perpetuation official government and the life of the Republic, is the Demodeveloped. The elections testify to the life make the necessary winter repairs. The Democratic party will yet redeem the nation from the hands of the sponers. That is its mission, and, to aid in that high purpose it asks and claims the co-operation of all good sitizens. Nor will it ask in fuin. Passion and prejudice will give place to reason and prejudice will give place to reason and prefucition, and party lies censeto make slaves occupied by stores, and prejudice will gire place of American citizens. Men will take wider views of their duties; note the action of their leaders with more care, and support principles rather than be led astray by actional issues, of Imerican citizens. Men will take wider leaders with more care, and support principles rather than be led astray by sectional issues, used by demagagues as stepping-stones for

private advancement and promi The Democratic party can with confidence, appeal to the masses for support It will command the support of all who are in favor of a wise and rigid economy is the administration of public affairs, both State and National: of the choice of capatile; honest and patriotic men to fill all offices of trust, honor and profit, and of keeping the elective franchise not only ure influences, but in the hands of that race by which this government was unded, and by whose virtue and intelligence t must be perpetuated and transmitted to their lants. If the government is to be prervedin harmony with the original design ad interior of its illustrious founders, it

Democratically, would it be for such a White old the mould it be for such a party to accept "passive policy" and give malconium multicant the nomination over to malcontant publicans the nomination of a Presidential candute for their adoption and support i No ; ke to be become stand aquarely upon principle them make no compromises; but make the fine boldly and fearlessly against Radicalism in kt its phases and fight it to the bitter end. In the course we think we discover in the net far distant future the certainty of a glorious triumph. In the other course we can see nothing but inevitable defeat. For the common good; we can afford tormake sacrifices of feeling; but we cannot afford to make sacrifice of principle.

Those who have tried the effects of policy.

have seen and felt the unhappy results. Those who have tried the influence of principle, have

cate, the exponent and the executor of all that is vite and corrupt in morals and politics. Indeed, so vite and corrupt has it become, that some of its more conscientious and scrupulous loaders and followers are becoming alarmed at the evil work which it has done, and shield themelices from responsibility ganizing a new party, which shall be neither performed in a confidence of the more conscientious and advantage of Life thourance in a the evil work which it has done, and shield themelices from responsibility ganizing a new party, which shall be neither noticer and advantage of the more considerable. In our epimion, to counterance such an arrangement as the one above referred is, would be fatal to the interests of constitutional literary in this country. If the so-called moderangement as the one above referred to, would a large per centage on the liverity, and then be fatal to the interests of constitutional liberty in this country.
