ORDER OF PUBLICATION.

MARY R. BROOKBANK
vs.
JOHN B. BROOKBANK.

In the Circuit Court for Montgomery County, sitting as Court of Equity.

THE object of this bill is to procure a divorce *a vinculo matrimonii* of the complainant, Mary R. Brookbank, from the defendant, John B. Brookbank.

The bill alleges that the complainant is a native of Montgomery County, in the State of Maryland, and was residing therein the latter part of the year 1861. That on the 14th day of November, 1861, she was duly and lawfully married in the City of Washington to the said John B. Brookbank, by the Rev. Byron Sunderland, and that her name, previous to said marriage, was Mary R. Spates.

The bill further states that sometime in the year 1867 she returned with her said husband to the residence of her father, Robert Spates in said county, and resided with her said father until the spring of 1868; that in the spring of 1868 the said defendant left complainant at her father's house, to be absent an indefinite time, but, as she supposed, with the intent to return; but that she has not seen him since, and has not heard from him since the spring of 1869.

The bill further states that defendant left complainant with one child, Ida Mary, now about five years old, and that complainant has had to support herself and her said child by her own labor ever since the spring of 1868, and that defendant has utterly failed to contribute a particle to their support or the support of either of them; that she has over and again besought the defendant to return to her, and to aid her in the support of their said child, or herself, or both, but he has failed and neglected to do so.

The bill further states that complainant does not know, and after diligent inquiry has been unable to ascertain where defendant now is, but she has reason to believe that he is somewhere on one of the Pacific railroads, and out of this State.

The bill further states that the defendant left complainant without any cause; that they had lived together as happily as man and wife usually do; but she has reason to believe that the defendant, when he left complainant in the spring of 1868, intended to desert her finally, and she charges that he has so deserted and abandoned her, and that there is no reasonable expectation that they will ever be reconciled.

The bill further states that the said John B. Brookbank resides out of the State of Maryland.

It is thereupon, this 27th day of October, 1871—

ADJUDGED AND ORDERED that the complainant, by causing a copy of this order to be inserted in some newspaper published in Montgomery County once in each of four successive weeks before the second day of December next, give notice to said absent defendant of the object and substance of this bill, and warn him to appear in this Court in person or by solicitor, on or before the third Monday of March next to answer the premises and show cause, if any he has, why a decree ought not to pass as prayed.

GREAT REDUCTION

IN THE PRICE OF

FERTILIZERS.

FARMERS OF MONTGOMERY are advised that I have greatly reduced the price of Fertilizers for the FALL TRADE, and they will do well not to buy until they know my prices.

I have, I am confident, the best stock now on hand ever offered in this market.

I have the following articles:

BUSEY'S EXCELSIOR GUANO

BUSEY'S

AMMONIATED DISSOLVED BONES,

GROUND BONE,

Ground Plaster!

DISSOLVED BONES,

PERUVIAN GUANO.

For those who desire to mix their fertilizers I have Dissolved Bone, ground and dissolved by myself and not bought of irresponsible parties in the northern cities.

For those who want Bone Dust, I have ground green bone made here, the purity of which can be guaranteed.

I challenge comparison.

W. G. BUSEY,
GEORGETOWN, D. C.

That my fertilizers have maintained their high standard, I refer to the certificates of some of the leading farmers of the county, here annexed. I have many more.

MR. BUSEY, Dear Sir: I used some of your's and Turner's Excelsior on my wheat crop last fall, both applied in the same manner, and at the same time, and both did well, but your's the better of the two.

Respectfully,
June 12th, 1871. ORATIO CLAGETT.

MR. W. G. BUSEY, Dear Sir: I have used your Excelsior for several years satisfactorily, used it last fall on part of my wheat crop and have a good crop, quite as good as where I applied another fertilizer in a much larger quantity per acre. JOHN SAUNDERS.

June 17th, 1871.

REDLAND, Montgomery Co., Md.

MESSRS. G. T. DUNLOP & Co., Gentlemen: As requested, I cheerfully give you my opinion of Busey's Excelsior Guano. I have used it every year since it was first manufactured, and have always been satisfied with its results. Last fall I used it in comparison with other fertilizers and although the others cost more money, I made as good wheat with the Excelsior as with the other articles. I believe the standard is kept up, as what I used last fall was as good as any I ever used.

Respectfully,
June 23d, 1871. H. B. PENN.

MR. W. G. BUSEY, Dear Sir: I used your Excelsior on part of my wheat crop, just gathered, and where used have a fine crop, quite as good if not better than where I applied another fertilizer costing much more per ton. Have been using your Excelsior Guano on various crops for about five years, and have found its high standard maintained in every instance. EDWARD M. VEIRS.

MR. EDITOR: In your paper of June 30th proximo, you had a notice of the case of Busey vs. Moore and others, which was calculated to, and I am informed has produced a false impression. The facts are simply these, the case has been twice tried before juries, resulting both times by verdict in my favor, which verdicts were set aside upon technical grounds by the Court. The case now stands upon the docket for a third trial.

Respectfully,
