That my fertilizers have maintained their sigh standard, I refer to the certificates of ome of the leading farmers of, the county, sere supexed. I have many more.

Mu. Bruky, Dear Sir: I used some of your's and Turner's Excelsior on my wheat crop last fall, both applied in the same manner, and at the same time, and toth did well, but your's the better of the two.

Respectfully,
June 12th, 1871. ORATIO CLAGETT. Ma. W. G. Breer, Dear Sir: I have used your Excelsior for several years satisfactorily, used it last fall on part of my wheat crop and have a good crop, quite as good as where I applied another fertilizer in a much larger quantity per acre.

June 17th, 1871.

MESSES. G. T. DUXNOF & Co., Gentlemen: As requested, I cheerfally give you my opinion of Busey's Excelsior Ganno. I have used it every year since it was first manufactured, and have always been satisfied with its results. Last fall I used it in comparison, with other fertilizers and although the others cost more money, I made as good wheat with the Excelsior as with the other articles. I believe the standard is kept up, as what I used last fall was as good as any I ever used.
