Ayer's Hair Vigor,

For restoring Gray Hair to its natural Vitality and Color.

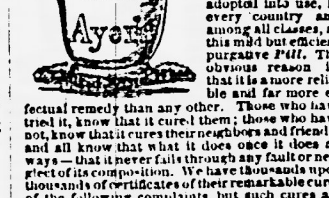

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color, with the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous, and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING, nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy lustre and a grateful perfume.

Ayer's Cathartic Pills, For all the purposes of a Laxative Medicine. Sold by all Druggists. [mer 10-7m]

Peripneumoniae medicine is so universally required, by every body as a cathartic, that it is not surprising to find so universally adopted into use, in every country, and among all classes, as the most safe and purgative Pill. The obvious reason is, that it is so agreeable, and its action so reliable, and far more effectual, than any other. Those who have tried it, know that it cures them; those who have not, know that it cures their neighbors; and all know that what it does once it does always - that it never fails through any fault or neglect of its composition. We have had thousands of certificates of its remarkable cures of the following complaints, but such as are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions, it contains neither emulsion nor any deleterious drug, they may be taken with safety by any body. Their sugar-coating preserves them ever fresh, and makes them pleasant to take, while being purely vegetable, they do no harm, and are free from any quantity.

They operate by their powerful influence on the internal system to purify the blood, and stimulate it into healthy action - remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their regular action to health, and curing, wherever they are the first origin of disease. Minute directions are given in the wrapper on the following complaints, which these Pills readily cure: - For Bile, Indigestion, Flatulency, Loss of Appetite, they should be taken moderately to stimulate the stomach, and restore its healthy tone and action. For Liver Complaints and its various symptoms, Biliousness, Headache, Sick Headache, Jaundice or Green Stools, Bile, Bilious Colic, and other ailments, they should be judiciously taken for each case, to correct the diseased action, or remove the obstructions which cause it. For Dyspepsia or Diarrhoea, but one mild dose is generally required. For Hemorrhages, Croup, Cerebral, Paralysis of the Heart, Pain in the Side, Black and Blue Cholera, they are constantly taken, as required, to change the diseased action of the system. Hence, they are the most valuable medicine in large and frequent doses to produce the effect of a drastic purge. For Suppression, a large dose should be taken as it produces the desired effect by sympathy. As a Dinner Pill, take one or two Pills to promote digestion and relieve the stomach. An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence, they are often used where no serious derangement exists. One who feels liberally well, often finds that one of these Pills makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

For Dropsy and Dropsical Swellings they should be taken in large and frequent doses to produce the effect of a drastic purge.
