SAFETY COAL OIL LAMPS.
The following certificate is from a scientific
examination of the Safety Lamp:
"Richmond, Va., July 28th, 1870.
To John Aker, Richmond, Va. Gen. Agent:
I have used Perkins & House's Non-Explosive
Coal Oil Lamp. Before buying it I took
it to pieces, and saw that it was constructed
on the principle of Davy's Safety Lamp, and
that with proper use no flame could possibly
find admission to the Lamp, although it may
be filled with explosive gas and ignited while
in that condition. I consider the invention an
important contribution to the safety of persons
and property.

BEFORE USING AFTER USING

HALL'S
Vegetable Sicilian Hair Renewer

Has stood the test of seven years
before the public; and no prepara-
tion for the hair has yet been dis-
covered that will produce the same
beneficial results. It is an entirely
new scientific discovery, combin-
ing many of the most powerful and
restorative agents in the VEGET-
ABLE KINGDOM. It restores GREY
HAIR TO ITS ORIGINAL YOUTH-
FUL COLOR. It makes the scalp
white and clean; cures dandruff
and humors, and falling out of
the hair; and will make it grow
upon bald heads, except in very
aged persons, as it furnishes the
nutritive principle by which the
hair is nourished and supported.
It makes the hair moist, soft, and
glossy, and is unsurpassed as it
is in A. E. B. S. N. O. It is the
cheapest preparation ever offered
to the public, as one bottle will ad-
dress more and last longer
than three bottles of any other
preparation.

It is recommended and used by
the First Medical Authority.
The Pottery of the Hair Renewer
by your Sicilian Hair Renewer has
induced many to manufacture
preparations for the Hair, under
various names, and in order to
induce the trade and the public to
purchase their compounds, they
have resorted to falsehoods, by
claiming they were former part-
ners, or had some connection with
our Mr. Hall, and their prepara-
tion was similar to ours. Do not
be deceived by them. Purchase the
original; it has never yet been
equaled. Our bottles are sent free
by mail. See that each bottle has
our private Revenue Stamp over
the top of the bottle. All others
are imitations.

Sold by all Druggists and Dealers in Medicine.

**BUCKINGHAM'S
DYE FOR THE WHISKERS.**
At our Hall's Vegetable Sicilian Hair
Renewer, in many cases, requires too long a
time and too much care to restore gray or
faded Whiskers, we have prepared this dye.
Through a long series of years, and among
most of the men of our time, it has been
in their estimation, as it has become better
known, the most reliable and most
effective means of restoring the color of the
whiskers, and the dangerous effects of
such a course are avoided. It should be kept
on hand in every family, and used as all are
somewhat subject to colds and coughs, all should
be provided with the antidote for them.
Although settled Consumption is thought in-
curable, still great numbers of cases where the
disease seemed settled, have been completely
cured, and the patient restored to sound health
by the Cherry Pectoral. So complete is its
cure of the disorders of the Lungs and
Throat, that the most obstinate of them yield to it.
When nothing else could reach the under
Cherry Pectoral, it is tried, and it is
Sings and Public Speakers and great
profusion from it.
Asthma is always relieved and often wholly
cured.
Bronchitis is generally cured by taking the
Cherry Pectoral in small and frequent doses.
So generally is its efficacy known, that we
need not publish the certificates of its use, or
do more than assure the public that its qual-
ities are fully maintained.

Ayer's Cherry Pectoral,

Probably never before in the whole history of
medicine, has any thing won so widely and so
deeply upon the confidence of the people, as this
remedy, especially for pulmonary complaints.
Through a long series of years, and among
