**HALES**  
Vegetable Sicilian Hair Renewer

This stood the test of seven years before the public, and no preparation for the hair has yet been discovered that will produce the same beneficial results. It is an entirely new article, discovered, combining many of the most powerful and restorative agents in the VEGETABLE KINGDOM. It restores GREY HAIR TO ITS ORIGINAL YOUTHFUL COLOR. It makes the scalp white and clean; cures dandruff and humors, and falling out of the hair; and will make it grow upon bald heads, except in very aged persons, as it furnishes the nutritive principle by which the hair is nourished and sustained. It makes the hair moist, soft, and glossy, and is unsurpassed as a HAIR DRESSING. It is the cheapest preparation ever offered to the public, as one bottle will accomplish more and last longer than three bottles of any other preparation.

It is recommended and used by the First Medical Authority. The following results have been induced many to manufacture preparations for the hair, under the name of Hales' Hair Renewer, in order to induce the trade and the public to purchase their compounds, they have resorted to jobbing, by placing their names on the packages, or had some connection with our Mr. Hales, and their preparations were sent to others. Do not be deceived by them. Purchase the original; it has never yet been equalled. Our Treatise on the Hair, with certificates, sent free of charge, to each bottle, but our private Revenue Stamp over the top of the bottle. All others are imitations.

R. P. Hall & Co., Prop's, Natchua, N.H.  
Solely for the District of Columbia and Montgomery County.
