Has stood the test of seven years before the public and no preparation for the hair has yet been discovered that will produce the same beneficial results. It is an entirely new scientific discovery, combining many of the most powerful and restorative agents in the VECET-ABLE KINCDOM. It restores CREY HAIR TO ITS 'ORIGINAL YOUTH-FUL COLOR. It makes the sculp white and clean; enves dandruff and humors, and fulling out of the hair; and will make it grow upon baid heads, except in very aged persons, as it furnishes the natrifice principle by which the hair is nourished and supported. It makes the hair moist, soft, and glossy, and is unsurpassed as a II AIR DRESSING. It is the cheapest preparation over offered to the walk of as one bottle will accheapest preparation ever offered to the public, as one bottle will ac-complish more and last longer than there bottles of any other

It is recommended and used by the First Medical Authority.

The Wonderful results produced by our Sicilian Hair Renewer have induced many to manufacture preparations for the Hair, under various names; and, in order to induce the trade and the public to purchase their compounds, they have resorted to fulschood, by claiming they were former partners, or had some connection with our Mr. Hall, and their preparation was similar to ours. Do not be deceived by them. Purchase the ariginal: it has accer yet been equalled. Our Treatise on the Hair, with certificates, sent free by mail.
