Vegetable Sicilian Hair Renewer. Has stood the test of seven years before the public and no preparation for the hair has yet been discovered that will produce the same beneficial results.

It is an entirely new scientific discovery, combining many of the most powerful and restorative agents in the vegetable kingdom. It restores GREY HAIR TO ITS ORIGINAL YOUTHFUL COLOR, makes the hair white and clean; cures dandruff and humors, and falling out of the hair, and will induce growth upon bald heads, except in very aged persons, as it furnishes the nutritive principle by which the hair is formed, and the public to the public, as one bottle will accomplish more and last longer than three bottles of any other preparation.

It is recommended and used by the First Medical Authority. The Wonderful results produced by this Sicilian Hair Renewer have induced many to manufacture preparations for the hair, under various names; and in order to induce the public to purchase their compounds, they have resorted to falsehood, by claiming they were former partners or had some connection with Mr. Hall, and their preparation was similar to ours. Do not be deceived by them. Purchase the genuine. It has never been equaled. Our Treatise on the Hair, with certificates, sent free by mail. See that each bottle bears our popular Revenue Stamp over the top of the bottle. All others are imitations.
