Brighter crowss than monarchs bear-Them you never can inherit; Protect These you " Win and Wear." Useful Hints.

Hors Earrig Pues.—Young saws will some-liner est, their off-pring, from costiveness, timer est, their off-pring, from costiveness, which may be prevented by feeding some laxative food, and rubbing the backs of the pigs

girento the mother, will prevent her from

ealing perpigs. It has been given to them with specess after they had enten one or two Atth Poa Forxben .- Let one man hold the herse by the balter ; then have the alum pulverletd, and one man take the horse by the tongue with one hand, and with the other lar a large fablespoonful of alum as far down his throat as he can, on the root of his tongue -Besure and pull the tongue out well. Let the tongue loose and the slum will go down.

Rural New Yorker. Morth in Chil. 121. - According to Dr. Willebold fungus growths in cellars may be combated either by burning sulphur or by pouring two parts of contentrated sulphur seid over one part of common salt. In the first instance sulphuric acid gas is produced; and in the second, hydrociboric acid, by means of which the fungliare destroyed. It is sufficiently evideat, however, that during this process all opening must be closed, so as to prevent any clied net to enter the cellur after the operation

antil it bus been thoroughly ventilated. . To prevent bees from swarming, take the precatilion, when they exhibit a disposition to swarm, to stop most of the outlets from the hire, so as to force them to occupy consideralife time in coming out. The swarm is conmonly made up of young bees, many of whom cannot fir very well, and as nothing can be done by the swarm until they are all out of the hier, but fir about in the air, by prolonging the time of their rowing out, the feeble one-become livel; and anding their plans frustraed; must blight to rearrange their journey .-If they can leave the old hive all at once, they caly very little about alighting.

In-Gacutaa Toz Nama.-Begin the effort at eare by simple application to the tender part of a small quantity percholoride of iron. There is immediately a moderate sensition of pals, constriction, or borning. In a few minuten the timber attifare is felt to be dried up tanged or mummefied, and it ceases to be paluful. The patient, who before could not put his foot to the floor, now finds that he car FULLALOVE walk apon it without pain. By permitting the red, wood-like flesh to remain for two or three weeks, it can be easily removed by sunking the foot in warm water. A new and licalthy structure is found, firm and solid, below. If thereafter the nails be no more cut around the corners or sides, but always curved in acress the front end, they will in future further trouble will be avoided .- Bestick a Medical and Surgical Journal.

Wit and Humor.

A certain brand of Cincinnati whisker is warranted to contain 437 fights to the barrel Why might carpenters really believe there is no such thing as stone? Because they never saw It.

An Indiana editor announces: "We leave to-merrow-for the country hog show, and Hope to take the prize." A young lady being asked by a rich old

if not rourself, who would you rather be ?" Julushed, as she fen eetly replied,

"I ran't find bread for my family," said a

amphileed to work for it."

A lady the accounting to a friend for her temperary disappearance from society, said she had first been celebrating her wooden wedding having just married a blockhead.

"Stubbe," said one of his debtors, "ien" It about time you paid me that little bill?" "My dest stead was the consoling reply, "it meney.

"Say, Jones I. What's the matter with your eyel!" "Ohl nothin, gnly my wife said this morning, you'd better get up and light the fire, Lfold her to make it berself, that's all." It le selated of a quarrelsome gentleman is Pike county that having been ignominiously bicked and entied by a rival bruiser, be explained his defeat by saying: "lie come at me id sudden, I didn't have time to git mad."

A pegress being asked why she never work while, a black women generally were fund of dacking themselves out in snowy apparel, replied; i Kales Fallua thinks a white dress

maker's colored pusson look like a fly in a Tom Odewia used to tell an anecdote of a

woryfold man, with lang jaws and high theeknembos of an Dhio court, What is your age ! asked Corwin.

Toraty ino." I Toraty in the question. The i wish to know the num you spent all your life in Ohio?"
