Vegetable Sicilian Hair Renewer A No. 1 PREUVIAN GUANO,

Has stood the test of seven years before the public; dud no preparation for the hair has yet been discovered that will produce the same beneficial results. It is an entirely new scientific discovery, combining many of the most powerful and restorative agents in the VECET-ABLE KINGDOM. It restores GREY HAIR TO ITS ORIGINAL YOUTH-FUL COLOR. It makes the scalp white and clean; cures dandruf and humors, and fulling out of the hair; and will make it grow upon baid heads, except in very aged persons, as it farnishes the nutritive principle by which the hair is nourished and supported. It makes the hair most, soft, and flossy, and is unsurpassed as a II A I R D RESS IN G. It is the cheapest preparation ere offered to the public, as one bottle will accomplish more and last longer than three bottles of any other preparation.

It is recommended and used by anti cina, JUST RE- EIVED it in the A cut of the LISTERS' BONE DUST, This article has been very extensively sed in this county, on all kinds of crops,

complish more and last longer than three bottles of any other preparation.

It is recommended and used by the First Medical Authority.

The Wonderful results produced by our Sicilian Hair Renewerhave induced many to manufacture preparations for the Hair, under various nances; and, in order to induce the trade and the public to purchase their compounds, they have resorted to falsehood, by claiming they were former partners, or had some connection with our Mr. Hall, and their preparations was similar to ours. Do not be deceived by them. Purchase the original: it has never yet been equalled. Our Treatise on the Hair, with certificates, sent free by mail. See that each bottle has our private Revenue Stamp over the top of the bottle. All others are imitations. TURNER'S HALF-AND-HALF, PURNERS AMMONIATED BONE
