SATURDAY NIGHT.

Placing the little hats all in a row. Rockville, Md.,
IS now prepared to furnish DRAFTS FOR
BULLDINGS, and execute all kinds of
CARPENTER'S WORK, in the neatest and
most workmanlike manner.
The Orders from the country will be faithfully and promptly attended to.

Calling the little hats all in a row,
Ready for church on the morrow you know
Getting them ready and fit to be kinsed;
Putting them into clean garments and wh
That is what mothers are doing to-night.

Calling the little ones all 'round her chair, Putting them into clean garments and white Calling the little ones all 'round her chair, Hearing them lisp their soft evening prayer, Telling them stories of Jesus of old, Who loves to gather the lambs to His fold ; Watching, they listen with childish delight-

That is what mothers are doing to-night.

Spring out holes in the little, worn buse, Spring out holes in the little, worn hose, laying by shoes that are worn thro' the toes; that on any work entrusted to him.

The Orders left with Mr. GEO. HYATT, a Mechanicaville, will receive prompt after hose.

The Orders left with Mr. GEO. HYATT, and Mechanicaville, will receive prompt after hose. That is what mothers do night after night.

Creeping so softly to take a last peep, After the little ones all are askep; Anxious to know if the children are warm, Tucking the blankers around each little form Kissing each little face, so rosy and bright-

That is what mothers do night after night. Eneeling down gently beside the white bed, Lowly and meekly she bows down her head Praying as only a mother can pray, God guide and keep them from going satray.

Political.

JUDGE BLACK'S LETTER. To Wm. H Wilsh, Esq., Editor of the

Baltimure Gazette: My DEAR Stat I promised the gen-

of the political situation limit our choice

le is likely to be in the future. I am ments, we cannot help but regret the bound to care nothing for his "antece- nen-adoption of Mr. St. vons' proposition, ures of this Administration are not only dents," except as they furnish the means atrecious es it was, for universal confisuaconstitutional, but anti-constitutional, of estimating his character. I think I cation. The pernicious consequences of showing not merely a contemptuous in law found out with reasonable certainty like rule are felt in the general as well as like rule are felt in the general as well as local governments. The legislation of but a settled hostility to those rights of the States, and the self-cries of the people which the organic law was made to the organic law was made to the contempt of the legislation of the law and the self-cries of the carpet-bug interest, and the worse acts of the daministration of the law and the self-cries of the carpet-bug interest, and the worse acts of the daministration of the law and the self-cries of the carpet-bug interest. secure. The President's appointment of sithfully, restore the States to their conficients and his general exercise of public authority, under the influence of men who paid him large sums of money, are scandalous outrages, and the effort to defend them has combined with other like causes to extinguish among his sub-ordinates all respect for those rules of morality which need to be held sacred. POOLE & HUME,

POOLE & HUME,

Orders by mil will receive prompt attention. Use done in the North, and add to it the South he the retainers of the President, with his direct aid and assistance, was recompelled to acknowledge that no to it, and at the same time see that labor on the base means by which need to be held seared. When we consider what these men have time in his lies, to implement they were inflicted upon us; but it will begin the process of their gradual extinction for functional they were inflicted upon us; but it will begin the process of their gradual extinction for the base means by which used to the demantion of the base means by which used the same time see and the special they were inflicted upon us; but it will begin the process of their gradual extinction. It will give the white people a discharge of all just obligations, conocities of their fathers' blood may some day give by capital the right which belongs the restored. In the meantine, if it does not reverse the attainder, it will at least the process of their gradual extinction. It will give the vities of their fathers' blood may some day give by capital the right which belongs to it, and at the same time see that labor needs to washing the process of their gradual extinction. It will give the vities of their fathers' blood may some day give by capital the right which belongs to it, and at the same time see that labor needs to washing the process of their gradual extinction of the base means by which used to be held seared. It will be gin the process of their gradual extinction of the base means by which used to be held seared. It will be gin the process of their gradual extinction of the base means of the process of their gradual extinction of the base means of the process of their gradual extinction of the base means of the process of their gradual extinction of the base means of the process of their gradual extinction. It will give the vities of the process of their gradual extinction of the base means of the process of their gradual other government now in the world is administered so entirely for personal and partisan purposes, or in such complete as a public frust, and not as a part of disregard for the rights and interests of his personal public. This demoralization is not confined to the Executive branch, the tide of corruntion rolls in months. The thought that a victory will be tide of corruntion rolls in months are not recovered the same time see that lacer not reverse the attainder, it will at least secure a merciful execution of it. Demo-crats who disliked Mr. Greeley's nomination have reflected well, and I think support of his family, or to encourage ministy. The thought that a victory will be private liberality of his friends. He

the tide of corruption rolls in upon the will, so far as he can without transgree- minish in some degree "the rapture of Legislature, and in some places it has sing the limits of his legal authority, re- the strile," but it will not impair the effirisen high enough to touch the feet of lieve the Southern States from the gangs ciency of their support, for they are imthe judiciary. Even the rank and file that are now preying upon their vitals in of the President's party have become de- open partnership with the present Adbauched, let us hope not altogether, but ministration.

tertainly in a fearful degree. Acts which in former times a hardened criminal faith is founded on the testimony of his would heritate to whisper in the car of friends and enemies, on the known facts his decomplice can now be openly advoof his history, and on the moral influence
cated by a political leader, not only with
which the Democracy will necessarily
safety, but with a tolerable chance of
exert upon his conduct. The errors of being sustained by a sort of public opin-ion. That love of liberty and justice communications from which he has clean which used to pervade the whole com-escaped. He heads a great revolt against munity now "reneges of temper." and wickedness in high places, and I do not An "eye witness" says that the dog in yields without resistance to the unprincibelieve he will go back upon us and be about one minute was "spread over sev-

and give them title, knee and approbation, with Senators on the bench."

If General Grant had been equal in have purified official and political morals sorrow. I am sure this feeling proc by simply setting the example in his own od from no unworthy passion person of a clean-handed devotion to duty. His own obedience to the laws would thought on the condition of the country have restored them to universal supremacy. All the objects of the Constitu-tion as recited in the preamble would

the radical Abolitionists for a good many alties against their fullen and belpless him. But we must not forget that, though of these legislative decrees. In all the he was with them. He was not always most notable causes subsequent Parliable from them. He refused to be a partaker in their worst iniquities; he had none of the attainders, and made what reparation their diabolical hatred for the Constitu-tion; he did not lend his lips to their that no such thing should ever be done ribald blasphemies, and his feet were here, and so they put their solemn interhis opposition to the designs of the Abolitionists against the Federal and State should ever pass a bill of attainder. Governments, impelled him to the opposite heresy of the secessionists. Like the Roman father, who killed his daughter to save her from a worse fato, he chose to destroy the Government, rather than see it dishoftered and violated by lawless were conscious that it could not stand, and with pains and penaltics more compendiously unjust than any British bill that ever was passed. But its authors were conscious that it could not stand, and were conscious that it could not stand, provoked the extremest rage of his asociates by exerting himself for a peace
which would have left all the people in
possession of their constitutional liberties
After the close of the contest, he was the
advocate of all regular and legal, as well
as honest government for all parts of the
country. I have a good authority for
country. I have a good authority for

ing indignation.

On another point he ought to have worse, but equally within the reach of credit. The friends of religious freedom judicial for etion. In this strait they owe him an old debt of gratitude for the reserted to the expedient of converling zeal and ability with which he resisted the church-burners when banded together in the secret lodges of the Knowtheman who delivered your letter that I Nothing order. It is but reasonable to ments were frauds upon the spirit and would answer it fully and soon as I could believe that his opposition saved the letter of the instrument, inasmuch as

more time and space than might be expected, you will please to remember that I and a great many other Democrats are in a position which requires something more than a mere definition. We cannot the charges. For this, and for other letter and forgotten?" Certainly not, as

rather full explanation.

I admit that the next President must be Grant or Greeky. The circumstances of the political situation limit our choice members in harsh and abusive terms.

Compelled to bear the intolerable burden of the yoke thus fastened upon them. I need not say how much they have suffermembers in harsh and abusive terms. to these two men, as strictly as if nobody. These are fulls of manner, and of tem-olse were legally eligible. We must per, which, when mended, are always after; but it is certain that any ordinary

election will save the country from a long
