Ille remains lav in state on Tacaday and thousands of sorrowing friends called to take a last look at the great journalist.

The fuseral took place on Wednesday last, and was attended with more pomp and solem-

## Minority Representation.

The completive system of voting is attract ing attention in some of the States. In Illinois it has been adopted, and with success, and is probable it may be adopted in Pennsylvania the Chastitutional Convention, now in see river... The object of this camulative voting is et the rights of misorities, for every body knows that majorities are tyrannical, though their right to rale is unquestlosed. To faralsh the reader with the idea of this system of voting we give the following in illustrations:

[Exchange has an many votes as there are many votes as the same of the gratem—upon one. If, for lastnoon, the properties of the Corpiers are to be choses, each voter many one tone ballof five each of the throw members; of two challes for one members and one ballof five each of the throw members; of two challes for one members and one ballof five each of the throw members; of two challes for one members and one ballof five each of the throw members; of two challes for one members and one ballof five each of the throw members; of two challes for another; or all three of his halter for one members alone. Their is a country court valued [1,200 voters, and there the political permitted in the political permitted in the political permitted in the progration of 500 to 400, it is a mainter that one chiff of the voters of the country of the country of the voters of the country of roting we give the following in illustration: Each voter has as many votes as there are

been some in many places within the past few through the post office, though they may months.
