When the Court met on the first day of the Term, the Chief Justice was absent by reason of sudden till-bealth, and it became my duty to deliver the charge of the Court to the Grand Jury. That charge was unwritten, and it would be difficult for me now to write it out. But the carefully prepared, and able charge of the Chief Justice, was delivered to the Grand Jury, on a subsequent day of the Ferm, at my request, so failly course the ground-taken by me to my oral charge, that it seems to me. I sufficiently comply with the request of the Grand Jury, and my own sense of public day, by saying, I fully concur in that tharge of the Chief Justice of this Court.
