Sum raised 15,000

As the above Scheme offers every possible encouragement to adventurers, from the many valuable Prizes it contains, and there being considérably less than two Blanks to a Prize, and all Prizes payable in 60 days after the drawing of the Lot ery is compleated without any deduction, the Managers entertain the greatest hopes of such a speedy sale of the Tickets, as may enable them to commence drawing without loss of time.

Such Prizes as shall not be demanded within six months after the drawing is finished, will be considered as relinquished for the benefit of the Market-house.

- For the satisfaction of the public, it may not be unnecessary to inform them, that the Managers have given bond to the State of Maryland in the sum of 30,000 dollars, for the Mue performance of the trust.

dP2t-2aw February 20. 100 Dollars Reward

FOR apprehending negro ROBBIN, who ran away from Dorreges. Forge, near the city of Baltimore, on Wednesday the 1st ultimo, a very black fellow, about 30 years of age, 6 feet . high, short curly hair, which he very seldom combs; rather of a thin visage, has a good set of teeth; broad shouldered and tapers gradually down wasds: his right leg formerly has been very sore and retains the scar on the shin bone. Indeed they have both been very sore; but the right much worse than the left. He is fond of strong drink, and after drinking is very apt to stammer or stutter when he speaks, though he speaks low and slow. He has been accustomed to working in the Forge, and is not a bad fineryman, and can handle iron tolerably well. His clotting when he went away was, a country mixed fulled cloth jacket, a pair of new ditto brieches, a pair blue fulled stockings, osnabrig shirts, course shees and hat; but as he is a not ricus, artful villain, he will probably change his dress and obtain's pass.

I will give the above reward including what the law allows for apprehending and securing said fellow, and reasonable expences if bro't home.

ALLEN DORSEY, Manager At Dorsey's Forge.

3. B. The said fellow took with him a light mixed cloth coat, a yellow jacket, and a pair of striped pantaloons. All persons are forewarned from harboring or carrying off said runaway.

American Printed Goods .--

MALICOES, SHAWLS and POCKET HANDKERCHIEFS manufactured by the subscribers near this city, are offered to the dealers in those articles, at No. 13, Calvertstreet, two doors above Lovely lane.

Their assortment is yet small, but growingand it was not thought well to decline advertising the public on that account, at a period when so many traders from the country visit the city; to make their usual purchases; and who may, before another season, be informed of the comparative merit and prices of their goods, with those imported.

The Messrs. Lannays who conduct the printing work, have been regularly bred to the business under their father, who held, if not the largest, one of the best esteemed factories formerly in France; and they have for several years owned and managed one for themselves. From their knowledge of the business, as generally done in Europe, they feel warrant-d in saying, that work of the like kind shall be as well executed here as there-The colors capable of being fixed, will be found as permanent, and equal in other respects. The quality of the goods they hope will recommend them, and trust they will be found cheaper than the imported.

To counteract a prejudice and distrust often existing against new undertakings, and some. times cherished by men who can feel a national as well as an individual interest to defeat them, they have enlarged more than was desirable or necessary in a simple advertisement. M'CULLOCH & LANNAYS,

No. 13, Calvert-street. Two or three boys will be taken as apprentices to the Calico printing business. dot co june 2
