To the Voters of the city and county of Baltimore.

HAVING been encouraged by many of my
friends in the city and county, to offer myself as
a candidate to be put in nomination for the office
of SHERIFF, at the ensuing election, I hope it
will not be deemed improper thus early to signi-
fy my intention, and to solicit the patronage of
my friends generally, and the voters of the city
and county at large.
Those who have not a personal knowledge of
me, will, on enquiry, find that I have been bred
to business, and have been conversant in mer-
cantile transactions from early life—Should my
fellow-citizens think proper, at the expiration
of the time of the present sheriff, to bestow on
me the office, I trust my conduct therein will be
such as will give satisfaction, if a diligent at-
tention and a faithful discharge of the duties
thereof, are capable of doing the same.

American Printed Goods.
CALICOES, SHAWLS and POCKET
HANDKERCHIEFS manufactured by
the subscribers near this city, are offered to the
dealers in those articles, at No. 13, Calvert-
street, two doors above Lovely Lane.
Their assortment is yet small, but growing—
and it was not thought well to decline adver-
tising the public on that account, as a period when
so many traders from the country visit the city,
to make their usual purchases; and who may,
before another season, be informed of the com-
parative merit and prices of their goods, with
those imported.
The Messrs. Lannays who conducted the print-
ing work, have been regularly bred to the busi-
ness under their father, who held, if not the
largest, one of the best esteemed factories for-
merly in France; and they have for several
years owned and managed one for themselves.
From their knowledge of the business, as gen-
erally done in Europe, they feel warranted in say-
ing, that work of the like kind shall be as well
executed here as there—The colors capable of
being fixed, will be found as permanent, and e-
qual in other respects. The quality of the goods
they hope will recommend them, and trust they
will be found cheaper than the imported.
To counteract a prejudice and distrust often
existing against new undertakings, and some-
times cherished by men who can see a national
as well as an individual interest to defeat them,
they have enlarged more than was desirable or
necessary in a simple advertisement.
McCULLOCH & LANNAYS,
No. 13, Calvert-street.
Two or three boys will be taken as ap-
prentices to the Calico printing business.

NOTICE is hereby given, That I, the sub-
scriber, Teacher and Translator of the
French and English Languages, intend to open
the French School, in my common dwelling,

sire to become scholars, to apply to friend Phi-
lip Thomas, at the sign of the golden key, Bal-
timore-street, where they can be acquainted
with my short, yet grammatical manner of
Teaching.
As I can devote some leisure hours in the
day time, to the instruction of a few scholars,
