TOTICE IS HERRBY GIVEN, That the commissioners, appointed by law, for opening subscriptions for a Capi al Stock of Nine Hundred Shares, of One Hundred Dollars each Share, for the purpose of building a Bridge across the River Patapsco, at the place where the Lower Ferry is now kept, called Portland, in Baltimore cou ty, over said river into Ann A. rundle county-Will proceed to open subscriptichs, at the house of Mr. WM. EVANS, in the city of Baltimore, on MONDAY, the 30th day of July next and continue open for three days, from 10 o'clock, A. M. until 3 o'clock, P M in each day : and at the counting house of John Muzik, esq. in the city of Annapolis, on the same days and hours above mentioned-and the said su-scription thall remain open for those three days at the above respective places, and it it should happen that more than the stipulated number of Shares should be subscribed for on the above three days, then the Commissioners are to aportion them among the subscribers, by prices deducting from the highest subscriptions untithey are reduced to the proper number; or if more persons subscribe than there are shares, then the Commissioners are to cast lots to decide to whom they shall belong. But if the shares should not be all subscribed on the above three first days, then the Commissioners will again open the subscriptions on Monday the 6th day of Angust next, at the aforesaid places and hours In the city of Baltimore, and city of Annapolis, and permitany person or persons, bodies corporate or otherwise, to subscribe for any number of shares, until the whole number of nine hundled shares is completed, and then the commissioners will issue receipts to whom the shares may belong, mentioning therein the receipt of 5 dollars, inpart of their subicription, which must be paid in cash, on each share, at the time of subscribing; the other payments will be called for by the directors chosen from the stockholders as the Bridge expenditures require, agreeably to the terms and conditions expressed in the law. The Commissioners beg leave to remark, that

for the satisfaction and information of the public, they have had the road run by Mr. John Boulding, his attested plat of which is lodged at Mr Byans's, whereby it will appear, that the dis rance from Mr. Evans's tavern, in the city of Baltimore, to the Ferry landing, at Portland, i 21 miles and 70 perches, from thence across the giver is 1 of a mile and 411 perches, and from the foot of the contemplated bridge on the Ann Ardridle tile of the river, in a streight line to Snowden's bridge, at the Furnace, where it in ersells the present Federal road, is 16 3-4 miles and 60 perches; and this over remarkably level. dry even country-Thus we shall be enabled to travel from Baltimore to Washington, the Fede Fal. Ofty, in 39 miles, besides the great superioriby of road, whereas the present road is generally estimated at 45 miles.

Those ratural advantages, added to a liberal Tawand charter of incorporation to this Bridge Company, by the legislature of Maryland, at Their last sersion, who viewed it as of the utmost importance to the interest of the city of Baltimore and Aus Arundle county, as well as to she public in general, must acturedly prove a

15.000 tickets, at 5 dollars each, = 75,000 THE Managers of this Lottery flatter themselves, from the elevated and healthy si uation, chosen by the Commissioners appointed for recling the Market-house, that it will be of the greatest utility and advantage, to that part of the city, and to the country in general; and beg leave to recommend it as an object worthy of their encouragement.

As the above Scheme offers every possible encouragement to adventurers, from the many valuable Prizes it contains, and there being considerably less than two Blanks to a Prize, and all Prizes payable in 60 days after the drawing of the Lot ery is compleated without any eduction, the Managers entertain the greatest hopes of such a speedy sale of the Tickets, as may enable them to commence drawing without oss of time.

Such Prizes as shall not be demanded within six months after the drawing is finished, will be considered as relinquished for the benefit of the Market house.

For the satisfaction of the public, it may not be unnecessary to inform them, that the Managers have given bond to the State of Maryland in the sum of 30,000 dollars, for the due performance of the trust.

I shall have no objection to rent half a store along with any merchant, tradesman, or muchanic, only and except a blacksmith or a butcher; but would rather prefer, above all others, a dentist who can draw teeth with ease and expedition, at a moderate expence.

In regard to my acquirements in the art and mystery fa Taylor, what shall I say-suppose I was to exhibit myself as the Phoenix of the cross-legged fraternity, you would pay no more attention to it, than to the noisy brawling of a puppet shew-man, or the more mis hievous and detestable igntism of an impudent quack, and 4,000 of course consign it to the dust as a fit companion for the sickening botheration an humbering nonsense of a razor-strap advertisement.

If, on the other hand, I should debase myself to the lowest grade of ignerance, you would direally call it irony, and thus inverted, read a shameless eulogium on my own shilities-What then, shall I say nothing only that I am a Taylor-that I want customers-and that if ever I get them. I will endeaver to keep all them that are worth keeping-and that
