Warm, Cold and Shower Baths.
Back of the Court-house, and near the foot-bridge.
THE subscriber returns his grateful acknowledgments to his friends and the public in general, for the prompt support that he received the last season; and takes this method of informing them, that his Baths are supplied with the most wholesome spring water that Chapel-hill can afford, which water is brought many hundred yards through bored pipes. In addition to his last year's improvements, he has made the following, to wit—six warm baths, one plunging and one shower bath, and one reservoir, to contain 11,800 gallons. These, with the former, will enable him to give more general satisfaction to his friends and patrons.
He also feels it his duty to inform the debilitated class of mankind, that, with the advice of the physician, the effects of these baths, and the help of Providence, he has effected the following cures, to wit—the rheumatism, cramp of the stomach, weakness of the nerves, papillation of the heart, cholera of the worst nature, eruptions of the skin, colds, &c. Vouchers for the above may be had on enquiry of the subscriber.
WILLIAM FINN.
N. B. Whereas on 7th inst. from the great concourse of applicants for the above Baths, the proprietor found all his large stocks of water exhausted and inadequate to satisfy their demands—to obviate this evil he has introduced a second supply of spring water, which affords 7560 gallons in 24 hours, which, with the former, makes 11,600, which it is supposed, will be sufficient for this season.

GENEAL COMPLAINTS.
A Dr. WARNER'S practice has been very extensive both in public and private, daily experience convinces him of the propriety of his method of removing the venereal disease, in preference to any medicine vendid or known in Baltimore. He has removed the most desperate cases with care and dispatch, after the failure of some of the ablest physicians both in Europe and America. Complaints of the urinary passages and debility thereof, from various causes and accidents, removed in the shortest possible space of time.
—As there are persons from various causes cannot personally apply, it may be necessary to inform them, they may be relieved from a description of their complaint.
Dr. W. warrants a cure in all cases. Masters of vessels and travellers may have their medicine so prepared that a safe, effectual and expeditious cure may be effected, without the least restriction in drink or diet.
N. B. Dr. Warner has removed from Bond-street, to Cumberland Row, No. 64, below the Marsh-market.

Baltimore and Ann Arundel BRIDGE COMPANY.

NOTICE IS HEREBY GIVEN, That the Commissioners, appointed by law, for opening subscriptions for a Capital Stock of Nine Hundred Shares, of One Hundred Dollars each Share, for the purpose of building a Bridge across the River Patuxent, at the place where the Lower Ferry is now kept, called Perland, in Baltimore county, ever said river into Ann Arundel county.—Will proceed to open subscriptions, at the house of Mr. Wm. EVANS, in the city of Baltimore, on MONDAY, the 6th day of July next, and continue open for three days, from 10 o'clock, A. M. until 3 o'clock, P. M. in each day; and at the counting-house of J. M. MURIN, esq. in the city of Annapolis, on the same days and hours above mentioned—and the said subscription shall remain open for three days at the above respective places, and if it should happen that more than the stipulated number of Shares should be subscribed for on the above three days, then the Commissioners are to apportion them among the subscribers, by deducting from the highest subscriptions until they are reduced to the proper number; or if more persons subscribe than there are shares, then the Commissioners are to cast lots to decide to whom they shall belong. But if the shares should not be all subscribed on the above three first days, then the Commissioners will again open the subscriptions on Monday the 6th day of August next, at the aforesaid places and hours in the city of Baltimore, and city of Annapolis, and permit any person or persons, bodies corporate or otherwise, to subscribe for any number of shares, until the whole number of nine hundred shares is completed, and then the commissioners will issue receipts to whom the shares may be long, mentioning therein the receipt of 5 dollars, in part of their subscription, which must be paid in cash, on each share, at the time of subscribing; the other payments will be called for by the directors chosen from the stockholders as the bridge expenditures require, agreeably to the terms and conditions expressed in the law.
The Commissioners beg leave to remark, that for the satisfaction and information of the public, they have had the road run by Mr. John Boulton, his attested plat of which is lodged at Mr. Evans's, whereby it will appear, that the distance from Mr. Evans's tavern, in the city of Baltimore, to the Ferry landing, at Portland, is 24 miles and 70 perches, from thence across the river is 2 of a mile and 414 perches, and from the foot of the contemplated bridge on the Ann Arundel side of the river, in a straight line to Snowden's bridge, at the Furnace, where it intersects the present Federal road, is 16 3/4 miles and 60 perches, and this over remarkably level, dry, even country.—Thus we shall be enabled to travel from Baltimore to Washington, the Federal City, in 39 miles, besides the great superiority of road, whereas the present road is generally estimated at 45 miles.
Those natural advantages, added to a liberal law charter of incorporation to this Bridge Company, by the legislature of Maryland, at their last session, who viewed it as of the utmost importance to the interest of the city of Baltimore and Ann Arundel county, as well as to the public in general, must assuredly prove a productive fund to the stockholders.

April 6. law

To the Public.
WHEREAS We, the undersigned, on the 16th April last, bought of William Hays of the city of Baltimore, twenty-three barrels of Pork, which were to have been of the usual weight, for the purpose of exporting, which was done accordingly; and on its arrival at Jaquemet, the place of destination, it was landed in a condition just similar to that in which it was received, and on being weighed, was found deficient; (as will appear by the following certificate) owing to which a considerable loss has been sustained.—We do therefore forewarn all persons from accepting or taking an assignment or transfer of a certain Note dated 16th April, 1804, for the sum of 340 dollars which we gave to the said Hays for the said Pork.
THS. & HUGH MOORE.

WE the Subscriber's Thomas Thuat and William Davidson, residents of this Town of Jaquemet do hereby certify that there was twenty barrels Pork landed from the board the schooner Cornelia of Baltimore, Azel Award Master, on the 14th ult. which were publicly weighed at the government scales, and was found to weigh but one hundred and fifty pounds French weight. Given under our hands this thirteenth day of June, 1804, at Jaquemet.
WILLIAM DAVIDSON,
THOMAS THUAT.

I do hereby certify that I have been acquainted with Mr. Thomas Thuat, since the year 1793, and have done a good deal of business with him, and in every transaction I always found him an honest man, and I think any certificate of his worth of full faith and credit.
Baltimore, July 17, 1804.
ISAAC M'KIM.

WE, the subscribers, certify that William Davidson is a person on whose certificate unlimited reliance may be placed, being well known to us and remarkable for honor and integrity.

To the Public.
THE annexed depositions & certificate; will, it is presumed, efface any improper impressions which the advertisement of Th. and Hu. Moore is calculated to make upon the public mind, and the laws of my country will teach them that they shall not with impunity wantonly assent to the character of a man, at least, as honest and respectable as themselves.
WILLIAM HAYS.

Baltimore County, to wit—
ON the eighteenth day of July, 1804, personally appeared before me the subscriber, one of the justices of the peace for said county, GEORGE MATTHEWS, inspector of salted Pork, and one of the citizens of Baltimore, and being one of the people called quakers, did solemnly, sincerely and truly declare and affirm, that some time in the month of December last he inspected for WILLIAM HAYS, twenty seven barrels of pork, all which were in good order and condition, and on examination of some of the barrels he found them to be of full weight, and had no reason to believe that the remaining barrels were deficient or light; and this affirman' further that he never before or since inspected any pork for the said William Hays. At the same time personally appeared JOHN POWER, and made oath on the Holy Evangelists of almighty God that he was present and assisted in picking and putting up twenty seven barrels of pork for WILLIAM HAYS, which was afterwards sometime in the month of December last inspected by GEORGE MATTHEWS, that the quantity of two hundred and four pounds of pork was put in each barrel, and with that quantity therein was readed up and was not afterwards disturbed until the inspector came when it was inspected, and a part thereof weighed, and proved to be of sufficient weight; that after the inspection took place, the barrels were immediately headed up and covered; and in that situation were the barrels of said pork was sold and delivered to THOMAS MOORE, of the house of Thos. & Hugh Moore.
Affirmed and sworn to before
OWEN DORSEY.

BALTIMORE, Nov. 21st, 1803.
This in recommendation of Mr. JOHN P. W. who has resided upwards of twelve months in this city, and I do not hesitate to say that he merits the confidence of any gentleman as he always executed my business with the greatest punctuality.
J. W. BAYLOR
Of the house of W. Baylor & son, Lexington, Kentucky.

I certify that JOHN POWER, who I understand is now clerk to Mr. Wm. Hays, has lived with the late firm of Greer and Casey about nine months, during which time, he conducted himself in such a manner as to merit my highest praise.
