Will be exhibited, ON MONDAY NEXT, The 23d inst. in Lemmon-street. between, Market

and East-streets, and near the Assembly room, A PHENOMENON, Which the European and American newspapers have probably spread throughout the Unit-

ed Stares, that enthusiasm which was produced in Paris, Philadelphia and New-York, by the experiment of the INVISIBLE WOMAN; and which would formerly have acredited the inventor for wizzard. The habitation of the Invisible Woman, is a

box about 5 feet long and 1 foot square, glazed " ith g ass, so that the view of the spectators is clear through; it is suspended by a small chain and perfeelly isolated; from thence she answers any question put to her by the spectators :-the will mention the form or colour of any thirg presented to her; she blows, and finaldoes not differ in any degree from another person, but by her invisibility.

If it was necessary to give a more spiendid acc unt .. fahir experim nt, the proprietor could relate many pages wrote by the most learned men, on the sul jest; but it will be sussicient he conceives to repeat a paragraph extrasted from the Philadelphia Gazette and Daily Advertiser, (Dec. 18, 1800)-it follows:

· This astonishing production was discovered about 12 months age in Pavis, by the present proprietor, and there exerted and resisted the mes: claborate enquery of numerous philosophica. gentlemen In this city we are informed it has already arawn the attention of several members . f heph los phroal society; but hitherto! no correct conjecture has been formed as to the

agence by which the effect is preduced." Though it is deemed, that what has already beet said, it enough to excite the curious and e wred, yet it is further added, that the author of this arcove, y is a father of a family, cast by the late St Domingo everts, into distress, and leit with no other hopes, but the exhibition agrin of the his invention, which he offers with g int respect and colleits public paironage from philarebropic and benevolent Americans.
