To the Voters of the City and County of Baltimore.

HAVING been encouraged by many of my friends in the city and county, to offer myself as a candidate to be put in nomination for the office of SHERIFF, at the ensuing election. Those who have not a personal knowlege of me, will, on enquiry, find that I have been bred to business, and have been conversant in mercantile transactions from early life-Should my fellow-citizens think proper, at the expiration of the time of the present sheriff, to bestow on me the office, I trust my conduct therein will be such as will give satisfaction, if a diligent attention and a faithful discharge of the duties ! thereof, are capable of doing the same.

15,000 tickets, at 5 dollars each, = 75,000 THE Managers of this Lottery flatter themselves, from the elevated and healthy situation, chosen by the Commissioners appointed for redling the Market-house, that it will be of the greatest utility and advantage, to that part of the city, and to the country in general; and beg leave to recommend it as an object worthy of their encouragement.

As the above Scheme offers every possible encouragement to adventurers, from the many valuable Prizes it contains, and there being considerably less than two Blanks to a Prize, and all Prizes payable in 60 days after the drawing of the Lottery is complexted without any deduction, the Managers entertain the greatest hopes of such a speedy sale of the Tickets, as may enable them to commence drawing without loss of time.

Such Prizes as shall nor be demanded within six months after the drawing is finished, will be considered as relinquished for the benefit of the Market house.

For the satisfaction of the public, it may not be unnecessary to inform them, that the Managers have given bond to the State of Maryland in the sum of 30,000 dollars, for the due performance of the trust.

Baltimore and Ann Arundel BRIDGE COMPANY.

TOTICE is HEREBY GIVEN, That the commissioners, appointed by law, for o-

pening subscriptions for a Capital Stock of Nine Hundred Shares, of One Hundred Dollars each Share, for the purpose of building a Bridge across the River Patapsco, at the place where the Lower Ferry is now kept, called Portland, in Baltimore county, over said river into Ann A rundle county-Will preceed to open subscriptions, at the house of Mr. WM. Evans, in the city of Baltimore, on MONDAY, the 30th day of July next, and continue open for three days, from 10 o'clock, A. M. until 3 o'clock, P. M in i each day; and at the counting house of Joun Muin cage, in the city of Annapolis, on the same days and hours above mentioned-and the said subscription shall remain open for those three days at the above respective places, and it it should happen that more than the stipulated number of Shares should be subscribed for on the above three days, then the Commissioners are to aportion them among the subscribers, by deducting from the highest subscri; ions until they are reduced to the proper number; or if me le persons subscribe than there a e shares, then the Commissioners are to cast lots to decide to whom they shall belong. But if the shares should not be all subscribed on the above three first days, then the Commissioners will again open the subscriptions on Monday the 6th day of and permitany person or persons, bodies corporate or otherwise, to subscribe for any number of shares, until the whole number of nine hundsed shares is completed, and then the commissioners will issue receipts to whom the shares may belong, mentioning therein the receipt of 5 dellars, in cash, on each thare, at the time of subscribing; the other payments will be called for by the directors chosen from the stockholders as the bridge expenditures require, agreeably to the terms and conditions expressed in the law.

The Commissioners beg leave to remark, that I for the satisfaction and information of the public, | they have had the road run by Mr. John Boulding, his attested plat of which is Jouged at Mr. Evans's, whereby it will appear, that the distance from Mr. Evans's tavern, in the city of Baltimore, to the Ferry landing, at Portland, is 24 miles and 70 perches, from thence across th river is 2 of a mile and 414 perches, and from the foot of the contemplated bridge on the Ann Arundle side of the river, in a streight line to Snowden's bridge, at the Furnace, where it in and 60 perches, and this over remarkably level, dry, even country—Thus we shall be enabled to ral City, in 39 miles, besides the great superioriev of road, whereas the present road is generally estimated at 45 miles.

Those natural advantages, added to a liberal law and charter of incorporation to this Bridge Company, by the legislature of Maryland, at their last session, who viewed it as of the utmost importance to the interest of the city of Baltimore and Ann Arundle county, as well as to the public in general, must assuredly prove a productive fund to the stockholders.

M P. a young lady, was affected for a long time with a bilious yellowness of the skin and whites of the eyes, with other particular complaints, (for which the Tincture is a certain remedy.) She had consulted a physician and had taken many remedies in vain, but was completely relieved by the same medicines as the above. S. P. another young lady, in the same con-

dition, was cured in the same manner. B. S. had been subjed to bilious complaints for a long time, and had taken the medeeines generally recommended in such cases to no purpose, but was restored to health in a short time by the above mentioned remedies.

B.B. was affected with a bilious sever in a violent degree. He had severe pains in his head, back and limbs, with a sick stemach and yellowness of the skin and eyes, attended with a high fever. He took a tea spoonful of the tindu:e every hour or half hour until better, and then every two hours, together with the pills, and in very few days was entirely restored to health.

The Anti-Bilious Tinclure and Pills have been taken by many in this city with the greatest benesi: that could be expected, to whom reserenc for further satisfaction may be made if necessary. On the Eastern-shore of this state, so far famed for bilious complaints, the reputation of these medicines is established upon the most solid foundation. The inventor of them has not yet known of a single instance in which they have not been taken with all the advantage which could be expeded. Every day they are coming more in demand, while their credit is increasing in the same degree. Neither the lindure nor pills contain any mercary, or any dangerous medicine whatever; they are composed of simples entirely, and are perfectly innocent. These medicines are found, when taken for the prevention of summer and fall diseases, to carry off the bile in as gradual manner as it increases, and ken for the cure of bilious diseases, they carry the bile away very speedily, but without any inconvenience; increase the strength of the etomach and occasion a good appetite, by which the patient is soon sestored to health and spirits

The price of the tindure is one dollar by the bottle, and of the pills half a dollar by the box: wholesale purchasers are supplied with both at a dellar, which makes a generous allowance for retailing. Sold at No. 21, Fell's street, Fell's
