VENEREAL COMPLAINTS.

AS Dr. WARNER'S practice has seen very extensive both in public and private, daily experience convinces him of the propriety of his method of removing the venereal disease, in preference to any medicine used or known in Baltimore. He has removed the most desperate cases with care and dispatch, after the failure of some of the ablest physicians both in Europe and America. Complaints of the urinary passages and debility removed, from various causes and accidents removed in the shortest possible space of time. As there are persons from various causes, who are personally afflicted, it may be necessary to inform them, they may be relieved from a complaint of their complaint.

Dr. W. warrants a cure in all cases. Masters of vessels and travellers may have their medicines prepared that a safe, effectual and expeditious cure may be effected, without the least restriction in drink or diet.

N. B. Dr. Warner has removed from
Sund street, to **Cumberland Row, No. 54,**
below the **Marsh-market.**
