TO
Merchants & owners of Vessels
GENERALLY

AN Association having been formed by a
number of master Ship-Carpenters, under the
denomination of "The Lumber Ship-
wrights," for the purpose of executing, in the
most expeditious and workmanlike manner any
commands in the said line of business—they
hereby solicit a share of public patronage, and
inform that JAMES CONWAY, their president,
and JAMES WHEELER and WILLIAM DRUMMOND,
superintendants, on Fido Point, are
prepared to receive all orders which merchants,
captains or others may favor them with. They
will for the present conduct their business, on
the wharf occupied by J. Wheeler, adjoining
Mr. Jno. Hollins' wharf, where they will always
be provided with spare spars and other
out-fits, to furnish at the shortest notice and on
the most moderate terms.

It is deemed expedient to notice, that all the
persons forming this association are masters of their
business, and as they intend themselves, principally,
to give their personal application in
executing work for their employers, it is fondly
hoped, that on this score they will claim a preference
from those who make it an object to have things done in a masterly manner.
N. B. They have now on hand, a sufficiency
of well seasoned stuff for the building of several
casses.
June 20

American Printed Goods.

CALICOES, SHAWLS and POCKET
HANDKERCHIEFS manufactured by
the subscribers near this city, are offered to the
dealers in those articles, at No. 13, Calvert-
street, two doors above Lundy Lane.
Their assortment is yet small, but growing—and
it was not thought well to decline advertising
the public on that account, at a period when
so many traders from the country visit the city,
to make their usual purchases; and who may,
before another season, be informed of the comparative
merit and prices of their goods, with those
imported.

The Messrs. Lennays who conduct the printing
work, have been regularly bred to the business
under their father, who held, if not the largest,
one of the best esteemed factories formerly in
France; and they have for several years owned
and managed one for themselves. From their
knowledge of the business, as generally done in
Europe, they feel warranted in saying, that work
of the like kind shall be as well executed here
as there. The colors capable of being fixed, will
be found as permanent, and equal in other respects.
The quality of the goods they hope will recommend
them, and trust they will be found cheaper than
the imported.

To counteract a prejudice and distrust often
existing against new undertakings, and sometimes
cherished by men who on an individual interest
as well as an individual interest to defeat them
they have enlarged more than was desirable or
necessary in a simple advertisement.
MCCULLOCH & LANNAYS,
No. 13, Calvert street.
Two or three boys will be taken as apprentices
to the Calico printing business.
