To the Voters of the City and County of Baltimore.

HAVING been encouraged by many of my friends in the city and county, to offer myself as a candidate to be put in nomination for the office of SHERIFF, at the ensuing election, I hope it will not be deemed improper thus early to signifymy intention, and to solicit the patronage of my friends generally, and the voters of the city and county at large.

Those who have not a personal knowlege of me, will, on enquiry, find that I have been bred to business, and have been conversant in mercantile transactions from early life-Should my fellow-citizens think proper, at the expiration of the time of the present sheriff, to bestow on me the office; I trust my conduct therein will be such as will give satisfaction, if a dil gent attention and a faithful, discharge of the duties thereof, are expeble of doing the same.
