THE Managers of this Lottery flatter themselves, from the elevated and healthy situation, chosen by the Commissioners appointed for recting the Market-house, that it will be of the greatest utility and advantage, to that part of the city, and to the country in general; and beg leave to recommend it as an object worthy of their encouragement.

As the above Scheme offers every possibel encouragement to adventurers, from the many valuable Prizes it contains, and there being considerably less than two Blanks to a Prize, and all Prizes payable in 60 days after the draw. ing of the Lot ery is compleated without any deduction, the Managers entertain the greatest hopes of such a speedy sale of the Tickets, as may enable them to commence drawing without loss of time.

Such Prizes as shall not be demanded within six months after the drawing is finished, will be considered as relinquished for the benefit of the Market-house.

For the satisfaction of the public, it may not be unnecessary to inform them, that the Managers have given bond to the State of Ma ryland in the sum of 30,000 dollars, for the due performance of the trust.
