 The tickets to be sold in Halves, at five dollars each.

The Managers respectfully solicit the aid of the public to accomplish the object of the above Lottery—Considerable exertions for several years having been already made by an association of ladies, for the education of poor orphans of all denominations—Teachers in every part of the city have been paid quarterly for the schooling of children, and in some instances assisted with necessary clothes, from the precarious resources of subscriptions, public and private donations, charity sermons, &c.

The legislature of Maryland have been pleased to grant a lot to raise a fund upon more stable and permanent principles, for the support of this institution, and the mayor and city council, in sanctioning it by an ordinance, have also given a very honorable testimony of the good wishes, by relieving the customary tax on the Managers therefore, and in the hope, that the above scheme, as well from the benevolence of its intention, as the principle of adventure, will be inviting to every citizen, in this or any other part of the United States. Adventurers in this lottery, while they feel a conscientious and consoling reflection of having thereby contributed their mite to the permanent establishment of a Free School, for the education of poor children, male and female, of every denomination; will also in a pecuniary point of view, experience advantages superior to any other scheme heretofore offered.

For the convenience of purchasers, the managers have thought proper to strike off the tickets in halves, leaving it optional with the purchaser to take the whole or half ticket.

The managers have given bond for the faithful performance of their trust.

Sixty days after the drawing is finished the prizes will be paid, subject to a deduction of 12 1/2 per cent.—if not demanded within 12 months after the drawing is finished, they will be considered as relinquished for the orphans.

N. B. Letters to either of the Managers enclosing the cash, post paid, will be duly attended to. The managers promise to keep a register of all names of adventurers; at a distance, and to furnish them with the fate of their tickets, to any part of the continent, when the drawing is finished.

100 Dollars Reward.

RAN away from the subscriber on the 23d of February last, a Negro lad named JIM, 19 years of age, 5 feet 6 or 7 inches high, square built, black brown complexion, a small scar under one of his eyes and had one on each cheek, the white of his eyes are mixed with a yellowish red, and a good countenance; he has a hurt in one of his legs which is not perceivable unless he walks back. His dress when he went away was a blue baize out jacket lined with green, longer than common—a blue inside ditto half worn, a grey fawn pair of breeches, a c. care shirt, white yarn stockings and two pair of shoes. He is an artful villain and will change both name and dress, and will endeavor (through the means of his father who lives on Fell's Point) to pass for a free man and no doubt will enter on board some vessel as such. This is the 5th time he has run off—He ran away the 3d of January 1801, and was caught in York county, Pennsylvania, and lodged in Little York jail. If he is taken up in Maryland, I will pay fifty dollars and reasonable expences if brought and delivered to me—if in any other state the above reward, and all reasonable expences on his being delivered.

Wm. STINSON,
