SINGING SCHOOL.

THE subscribers having procured a convenient room in a central situation intend opening a School for the tuition of Psalmody on an improved plan, in the first week in October. As it is highly necessary that all who mean to become scholars, should commence at the same time, both for their own benefit, as well as to prevent a diversity of accounts, they have determined that all who apply within the first month after the commencement, shall date their entrance from the opening of the school. The book which will be used, is the Beauties of Psalmody with other music, which will be delivered gratis, occasionally. Terms, three dollars per quarter, half payable in advance.
