July 11 d4t 2aw

This Pay Published, BY SAMUEL BUTLER, At the corner of Market and Charles-streets, Price I dollar neatly bound and lettered,

Ferdinand & Elmira. Printed from the original manuscript of an A. merican lady author of Dorval,' Julia and the Baron, and Amelia

The writer of this instructive and amusing work, has heretofore published the effusions of her pen in New England, and there (where the flights of fancy, as if chilled by the trigid blists of the north, are not received with that friendly welcome which they experience in the more genial climate of the south and midale states) commanded that applause, which genius and fancy never fail of producing on those liberal and candid mird, who will take the trouble to discriminate between the ordinary day-labor of the common English nevelist, who works for a living the tame as any other mechanic, and has no other end in view han to bring forth a fashionable piece I go ds, that will serve the moment and remune ate timself; and the lady of refined sentimers and correct taste, who writes for the amusen ent oi herself, her friends and the jublic

It contains upwards of three hunfired pages, is well printed on a new type and fine paper.

> Also, just published as above, INTERESTING ANECDOTES CF THE

Heroic conduct of Women, Previous to, and during the French revolution:

and orker nu dern writers of authenticity. some of the most shining virtues of human 12. By the same remedies taken by the above mantu e, such a constancy, fortitude courage, affec. ! tioned patients he was completely reneved in tien tei derneis, I ve and patriotism, as well as | four days. superi rgord sense and jurigment, which have bien exhibited by females, and snews that the Lair S x, when exigency requires, are by no means infe for in these virtues, and in several of them superior to what in like cases would be expedied from the boasted lords of the creation -it is reasonable to exped, that almost every lady of information wiltehappy in purchasing a bock so well calculated to defend the eause of leauty, when attacked by petulence or arro-

The present edition is enlarged by additional relediens of about one-third more than the London translation of Du Broca's Anecdotes, and is printed on a fine cream colored paper, and still sells at only one half the price of the Loudon

In the press, and with all convenient speed will be published, the second v.l. of the Baltimore Musical Miscellany, consisting of new and approved sengs set to music.

On band,

OLIVER FULLER, JOSEPH FULL: R, september 18 d4: 2awim

Dr. Mace's ANTI-BILIOUS TINCTURE & HEALTH.

PRESERVING PILLS OR preserving health in general, and especially for preventing the diseases of warm climates and warm seasons, su hat the cholica morbus, dysentery or flux and lax, sickn so of the stomach and overflow of bile, ague and fiver, bili us or yellow sever liver compinions, bilious pleurisy bilious head ache, and jam dice or yeilow, ess of the skin and eyes.

It is here as erred with confidence, and with out the least fear of a contractilion. by the use of these medicine i that he are the be t teine. dies for carring as well as preve ing, hilious complaints of all kinds. A deal of many cases might be given to proze this asserti no 'un the following, which are taken from real facts, it is

hoped will be sufficient: E. M, has been afflissed with a bilious complaint six years, so that every summer he was forced to take large doses of meloury, or el e le confined to his best. By the semedies here recommended he has been res ored to a good state of health during the summer and f. H. Iter : gue ! and fever with which he was formerly affected ! very often has entirely left him.

F.M wateffl. Red with jamidice or bilious yellewners, and was perf ally relieved in 10 days by the same means.

G.A. had been for a long time subj & to jaundice and bilie us fever in the highes degree. His face and eye were v ry vellow, and e was much swelled in the boirg. He had tried man remedies resommenden by physicians an acthers but without any benefit. He was, however soon cured by the remedies given in the above

L. T. had been for a long time affilled with a bilious complaint. He had applied to different translated from the French of M. Du liruca, ! physicians, and had taken the u-u-i remedies recommended in such cases. He als took a jour-When it is considered that this work records, ney to the springs. All, however, were users,

M.E. a young lady, was affected for a long French and Dancing Schools. time with a bill as yell where or the thin and whites of the eyes with other particular conplaints, (for which the Tincture : a ceitain ie medy) She had consulted a physician and ha taken many remedies in vain, but was conijl tel; relieved by the same medicines as the allower S. P another young lady, in the same con-

dition, was cured in the some manner B. S. hadbeen subject tob hou complaints for a long time, and had taken the medceines generally recommended in such cases to no purpose, but was restored to health in a short time by the above mentioned remedies.

B. B. was affested with a bilious fever in a ristem degree. He had severe pains in his headback and imbs, with a sick atomach and yellow, ness of the kin and eyes, attended with a high fever. He tock a tea spoinfui of the tinduie every hour or half hour until better, and then every two hours, t gether with the full; and in a be given For terms apply a. the academy. very few days was entirely restored to health.

The Anti-Bilious Tinclure and Pills have been taken by many in to is ci y with the greatest benent that could be ex, ecled, to whom reserence for further satisfaction may le made if ne essary On the Eastern si Die of this s ate so fai femed for bisious complaints, the reputation of these medicines is established upon the most solice fountation. The inventor f them has not je. known of a single instance in which the have not been taken with all the adva nage which couli be exceaed. E.v. r. day they are coming more in demand, while their credit is increasing in the same degree Neither the infine no pills contain any mercury, or any dangerous me dici ie whatever; they are com o en of simile entirely, and are perfectl, innocent. These me dicines are found, when taken for the prev n tion of summer and fall diseases, to carry ull the bie in as gradual manner as it increases, a. thereby hinder its con ing to excess. When ta ken for the cure of bilious diseases, they carry the hile away very speedily, but without any inconvenience; inc ease the strength of the ste. mach and occasion a good appetite, by which the patient, is soon restored to health and spirits

The price of the inclure is one dollar by the bot:le, and if the pills half a dollar by the box: retailing. Sold by the inventor on the Point where else in this cit,.

The inventor of these medicines recommends to them, and not to pay nor to deliver over the them upon misciples which he will not hesitate i avow upon a proper excasion. He deteste a charifie of a Nestrum-menger, nor would be willingly speake Meck-dector of Molier 2am8tlawSt. July 25.
