VENERABLE COMPLAINTS.

AS Dr. WARNER'S practice has been
 very extensive both in public and private,
 daily experience convinces him of the
 propriety of his method of removing the
 venereal disease, in preference to any medicine
 vendid or known in Baltimore. He has re-
 moved the most desperate cases with ease and
 dispatch, after the failure of some of the ablest
 physicians both in Europe and America. Cer-
 tainly of the urinary passages and debilita-
 tion, from various causes and accident-
 removed in the shortest possible space of time.
 As these persons from various causes
 cannot personally apply, it may be necessary
 to inform them, they may be relieved from
 description of their complaint.
Dr. W. warrants a cure in all cases. Master-
 of vessels and travellers may have their med-
 icine prepared that a safe, effectual and es-
 sential cure may be effected, without the
 least interruption in trade or dist.

Dr. W. Dr. Warner has removed from
 10th Street, to **Chamberland Row, No. 64,**
 below the Market-market.
