American Manufacture.
CAJICOES, Furniture Cottons, Shawls and *P. C. Co.* HAZLE-CHIEF printed a sold by the subscriber, at No. 13, Calvert-street.
To remove a distrust experienced in new undertakings, and often prejudicial to manufacturing attempts in America; they think it proper to observe, that in going material is wanted in the business to enable good artists to perform the work here, as well as in Europe. That they have these artists—that two of the partners were bred to the business in a factory of the best repute, carried on by their father, and long afterwards by themselves. They trust that while foreign goods are received without a question, an unreasonable suspicion will not prevent their countrymen from giving an equal trial to such as are wrought among themselves—beside a natural doubt there is room to fear, that certain interests, national, as well as individual may suggest objections to their undertaking. It is necessary therefore to say, that work of the like kind, shall be as well executed here, as by foreign hands abroad. The colors capable of being fixed will be found as permanent, the cloths perhaps of better substance, and the prices lower than of the imported cottons.
The customary credit will be given on good notes or acceptances in the city.

ON Saturday, the 9th of last month, I gave a Negro woman *LYDIA*, and *HAMLET*, her son, permission to visit their relations on Elk Ridge, and as I learn they did not go there, and have not since heard any thing of them, the presumption is, that they have absconded or been kidnapped; if the former, I will give 30 Dollars reward for apprehending and committing them to any jail in the United States, so that I get them again; and in the latter case, I will give One Hundred Dollars for the recovery of said negroes, and conviction of the perpetrators of so base an act, or Fifty Dollars for the recovery of the negroes—and in both cases I will also pay reasonable charges for bringing the negroes home to me in this city. Lydia is about 30 years old, a light colored negro, bold countenance, and sensible and very plausible in conversation; took with her a variety of clothing, among others, two suits of dark striped and clouded nankeen, and one suit of black silk, all made up into jackets and petticoats.
