Merchants & owners of Vessels

GENERALLY:

AN Association having been formed by a number of master Ship-Carpenters, under the denomination of "The Baltimore Shipwrights," for the purpose of executing in the most expeditious and workmanlike manner any commands in the said line of business—they hereby solicit a share of public patronage, and inform that JAMES GORDON, their president, and JAMES WHEEDEN and WILLIAM DUMMOND, superintendants, on Fell's Point, are prepared to receive all orders which merchants, captains or others may favor them with. They will for the present conduct their business, on the wharf occupied by J. Wheeden, adjoining Mr. Jno. Hollins's wharf, where they will always be provided with spare Spars and other out-fits, to furnish at the shortest notice and on the most moderate terms.

It is deemed expedient to notice, that all the persons forming this association are masters of their business, and as they intend themselves, principally, to give their personal application in executing work for their employers, it is fully hoped, that on this score they will claim a preference from those who make it an object to have things done in a masterly manner.

N. B. They have now on hand, a sufficient number of well seasoned stuff for the building of several vessels.

### VENEREAL COMPLAINTS.

A 5 Dr. WARNER'S practice has secured a very extensive both in public and private, daily experience convinces him of the propriety of his method of removing the venereal disease, in preference to any medicine vended or known in Baltimore. He has removed the most desperate cases with care and dispatch, after the failure of some of the other physicians both in Europe and America. Complaints of the urinary passages and debility thereof, from various causes and accidents, removed in the shortest possible space of time.

As there are persons from various causes cannot personally apply, it may be necessary to inform them, they may be relieved from a description of their complaint.

Dr. W. warrants a cure in all cases. Masters of vessels and travellers may have their medicines prepared that a safe, effectual and expeditious cure may be effected, without the least restriction in diet.

N. B. Dr. Warner has removed from Bend-street, to Chamberland Row, No. 64, below the Marsh-market.

### Runaway.

THERE was committed to the goal of Frederick county, on the first instant, a negro man by the name of HARRY, but since committed confesses his name to be BEN, and says he belongs to Benjamin Berry, of Charles county, Maryland: he is about 23 years old, 5 feet 4 or 5 inches high, a chunky fellow, his clothing are a striped wien waistcoat, coarse linen shirt and trousers. If his owner does not release him, he will be sold for his goal fees agreeably to law.

### Eloped or Kidnapped.

ON Saturday, the 29th of last month, I gave a negro woman LYDIA, and HANLET, her son, permission to visit their relations on Elk-Ridge, and as I learn they did not go there, and have not since heard any thing of them, the presumption is, that they have absconded or been kidnapped; if the former, I will give 30 Dollars reward for apprehending and committing them to any jail in the United States, so that I get them again; and in the latter case, I will give One Hundred Dollars for the recovery of said negroes, and conviction of the perpetrators of so base an act, or Fifty Dollars for the recovery of the negroes—and in both cases I will also pay reasonable charges for bringing the negroes home to me in this city. Lydia is a black 30 years old, a light colored negro, broid countenance, and sensible and very pliable in conversation; took with her a variety of clothing, among others, two suits of dark striped and clouded nankeen, and one suit of black silk, all made up into jackets and petticoats. Hanlet is a dark mulatto boy, about 7 years old, is a little hard of hearing, and had with him, among other things, a coarse and trowsers of fine twilled and striped fancy coat, about half worn, and a torned nearly white being frequently worn; also a new hat, I believe of the wool kind.

### American Manufacture.

CALICOES, Furniture Cottons, Shawls and Pocket Handkerchiefs printed and sold by the subscribers, at No. 13, Calvert-street.

To remove a distrust experienced in new undertakings, and often prejudicial to manufacturing attempts in America; they think it proper to observe, that nothing material is wanted in the business to enable good artists to perform the work here, as well as in Europe. That they have these artists—that two of the partners were bred to the business in a factory of the best repute, carried on by their father, and long afterwards by themselves. They trust that while foreign goods are received without a question, an unreasonable suspicion will not prevent their countrymen from giving an equal trial to such as are wrought among themselves—beside a natural doubt, there is room to fear, that certain interests, national, as well as individual, may suggest objections to their undertaking—It is necessary therefore to say, that work of the like kind, shall be as well executed here, as by foreign hands abroad. The colors capable of being fixed will be found as permanent, the cloths perhaps of better substance, and the prices lower than of the imported cottons.

The customary credit will be given on good notes or acceptances in the city.

The Managers respectfully solicit the aid of the public to accomplish the object of the above Lottery.—Considerable exertions for several years having been already made by an association of ladies, for the education of poor orphan of all denominations—Teachers in every part of the city have been paid quarterly for the schooling of children, and in some instances assisted with necessary clothes, from the precarious resources of subscriptions, public and private donations, charity sermons, &c.

The legislature of Maryland have been pleased to grant a lottery to raise a fund upon more stable and permanent principles, for the support of this institution; and the mayor and city council, in sanctioning it by an ordinance, have also given a very honorable testimony of their good wishes, by relinquishing the customary tax on the above scheme, as well from the benevolence of its intention, as the principle of aid to venture, will be inviting to every citizen, in this or any other part of the United States. Adventurers in this lottery, while they feel a conscientious and consoling reflection of having thereby contributed their mite to the permanent establishment of a Free School, for the education of poor children, male and female, of every denomination; will also in a pecuniary point of view, experience advantages superior to any other scheme heretofore offered.

For the convenience of purchasers, the managers have thought proper to strike off the tickets in halves, leaving it optional with the purchaser to take the whole or half ticket.

The managers have given bond for the faithful performance of their trust.
