GENERAL COMPLAINTS
AS DR. WARNER'S practice has proved very extensive both in public and private, daily experience convinces him of the propriety of his method of removing the venereal disease, in preference to any medicine ever known in Baltimore. He has removed the most desperate cases with care and dispatch, after the failure of some of the ablest physicians both in Europe and America. Complaints of the urinary passages and debility, therefore, from various causes and accidents, removed in the shortest possible space of time—As there are persons from various causes cannot personally apply, it may be necessary to inform them, they may be relieved from a description of their complaint.
Dr. W. warrants a cure in all cases. Masters of vessels and travellers may have their medicine so prepared that a safe, effectual and excellent cure may be effected, without the least restriction in drink or diet.
N. B. Dr. Warner has removed from Bond street, to Cumberland Row, No. 64, below the Marsh-market.

Eloped or Kidnapped.
ON Saturday, the 29th of last month, I gave my negro woman LYDIA, and HANLEY her son, permission to visit their relations on Elkridge, and as I learn they did not go there and have since heard any thing of them, the presumption is, that they have absconded or been kidnaped; if the former, I will give 50 Dollars reward for apprehending and committing them to any jail in the United States, so that I get them again; and in the latter case, I will give One Hundred Dollars for the recovery of said negroes, and conviction of the perpetrators to base an act, or Fifty Dollars for the recovery of the negroes—and in both cases I will also pay reasonable charges for bringing the negroes home to me in this city, Lydia is about 30 years old, a light colored negro, bold countenance, and sensible and very plausible in conversation; took with her a variety of clothing, among others, two suits of dark striped and clouded nankin, and one suit of black silk, all made up into jackets and petticoats. Hanley is a dark mulatto boy, about 7 years old, is a little hard of hearing, and had with him, among other clothing, a coat and trousers of fine twilled and striped fancy cord, about half worn, and a turned nearly white by being frequently washed; also a new hat, I believe of the wool kind.
