As the above Scheme offers every possible encouragement to adventurers, from the many valuable Prizes it contains, and there being considerably less than two Blanks to a Prize, and all Prizes payable in 60 days after the drawing of the Lottery is completed without any deduction, the Managers entertain the greatest hopes of such a speedy sale of the Tickets, as may enable them to commence drawing without any delay.

100 Dollars Reward.

RAN away from the subscriber, on Tuesday night, the 17th July last, a negro woman, named AIMEY, about 35 years of age—she is a slim spare woman, very black, active in moving and quick in her speech; her teeth set before in her upper jaw, but one, which is near the center of the arch, it is long and very remarkable—her clothing cannot be particularly described, as she has several changes of calico, muslin, and common coarse clothes, and her hair is combed up, she has changed her clothes. I bought her last fall of Mr. Henry Jones, living near Deer Creek in Harford county, in which neighborhood I think it probable she may be now residing. I will give 100 dollars to any person that can give information of any person or persons who have said woman, so as to send with me to law. I will give the above reward, if she is taken up out of the state, 50 dollars if taken in the state, and out of the county; and 30 dollars if taken in the county, and a credit in any goal, and if brought home all reasonable charges will be paid by

PHILIP GRIFFIN NOWLAND. P. S. She is cheerful in her speech when talked to, but not apt to be talkative, but I believe pretty sly and cunning, and perhaps may have a pass from having free communications—she was raised near Havre de Grace, by a Mr. Giles. October 8

20,000 Numbers. Not two Blanks to a Prize. The tickets to be sold in Halves, at five dollars each.

The Managers respectfully solicit the aid of the public to accomplish the object of the above Lottery—Considerable exertions for several years having been already made by an association of ladies, for the education of poor orphans of all denominations—Teachers in every part of the city have been paid quarterly for the schooling of children, and in some instances assisted with necessary clothes, from the precarious resources of subscriptions, public and private donations, charity sermons, &c.

The legislature of Maryland have been pleased to grant a lottery to raise a fund upon more stable and permanent principles, for the support of this institution; and the mayor and city council, in sanctioning it by an ordinance, have also given a very honorable testimony of their good wishes, by relinquishing the customary tax on the Lottery. The Managers therefore confidently hope, that the above scheme, as well from the benevolence of its intention, as the principle of adventure, will be inviting to every citizen, in this or any other part of the United States. Adventurers in this lottery, while they feel a conscientious and consoling reflection of having thereby contributed their mite to the permanent establishment of a Free School, for the education of poor children, male and female, of every denomination; will also in a pecuniary point of view, experience advantages superior to any other scheme heretofore offered.

For the convenience of purchasers, the managers have thought proper to strike off the tickets in halves, leaving it optional with the purchaser to take the whole or half ticket.

The managers have given bond for the faithful performance of their trust. Sixty days after the drawing is finished the prizes will be paid, subject to a deduction of 12 1/2 per cent.—if not demanded within 12 months after the drawing is finished, they will be considered as relinquished for the orphans.

JOHN COULTER, 39, Market st. F. Point. JOSHUA INLOES, 69, Bond-street, F. Point. WM. CARMAN, Col. O'Donnell's wharf. WILLIAM LIVESAY, 10, Pratt-street. NICHOLAS NORRIS, 42, South-street. N. B. Letters together, of the Managers enclosing the cash, post paid, will be duly attended to. The managers promise to keep a register of all names of adventurers at a distance, and to furnish them with the fate of their tickets, so any part of the continent, when the drawing is finished. May 9
