There are 12 counties and 277 towns in Massachuset: - and in the district of Maine about 210 towns, townships and plantations and we have the most sunguine expectation of the success of the Republican | Savannah leaky. electors of President and Vice President. This would, indeed, be, as the opposition exclaimed on the success of Mr. Quincey. " A GLORIOUS CHANGE!"

From this a plain question follows. If 279 towns in April gave an Anti republican majority of 4,384 votes—what may the refult be termed if the fame towns in November give a Republican majority of 1355?
