To the Voters of the city and county of Baltimore.

HAVING been encouraged by many of my friends in the city and county, to offer my self as a candidate to be put in nomination for the office of SHERIFF, at the ensuing election, I hope it will not be deemed improper that early to signify my intention, and to solicit the patronage of my friends generally, and the voters of the city and county at large.
Those who have not a personal knowledge of me, will, on enquiry, find that I have been engaged to business, and have been conversant in mercantile transactions from early life—Should my fellow citizens think proper, at the expiration of the term of the present sheriff, to bestow on me the office, I trust my conduct therein will be such as will give satisfaction, if a diligent attention and a faithful discharge of the duties thereof, are capable of doing the same.

He trusts his customers that he has not changed his situation, without consulting their comfort as well as his individual interest—at the same time he will observe, that the kind & liberal patronage which he has been favored with will be an inducement for him to spare no pains or expense in his endeavors to deserve a continuance thereof.

GENEAL COMPLAINTS
AS Dr. WARNER's practice has been very extensive both in public and private, daily experience convinces him of the propriety of his method of removing the venereal disease, in preference to any medicine vendored or known in Baltimore. He has removed the most desperate cases with care and dispatch, after the failure of some of the ablest physicians both in Europe and America. Complaints of the urinary passages and debility thereof, from various causes, and accidents, removed in the shortest possible space of time—As there are persons from various causes cannot personally apply, it may be necessary to inform them, they may be relieved from a description of their complaint.
Dr. W. warrants a cure in all cases. Masters of vessels and travellers may have their medicine so prepared that a safe, effectual and expeditious cure may be effected, without the least restriction in drink or diet.
N. B. Dr. Warner has removed from Bond street, to Cumberland Row, No. 64, below the Marsh-market
